4 RÉFLEXIONS SUR JEOVAH-NISSI (AUSSI DIT JÉSUS-DE-NAZARETH) – PRIÈRE DOMINICALE

1. JÉSUS AU CIEL.
NOTRE PÈRE JÉSUS AU CIEL,
QUE TON NOM SOIT SANCTIFIÉ,
QUE TON RÈGNE VIENNE,
QUE TA VOLONTÉ SOIT FAITES SUR LA TERRE COMME AU CIEL.

DONNE NOUS AUJOURD'HUI NOTRE PAIN DE CE JOUR.
PARDONNE NOUS NOS PÉCHÉS COMME NOUS PARDONNONS À CEUX QUI NOUS ONT OFFENSÉS.

NE NOUS SOUMET POINT À LA TENTATION,
MAIS DÉLIVRE NOUS DU PÉCHÉ,

CAR C'EST À TOI QU'APPARTIENT
LE RÈGNE,
LA PUISSANCE ET LA GLOIRE.

5 RÉFLEXIONS SUR JEOVAH-NISSI (AUSSI DIT JÉSUS-DE-NAZARETH) – chant 1

1. L'AMOUR DE JÉSUS, EST SI MERVEILLEUX
L'AMOUR DE JÉSUS, EST SI MERVEILLEUX
L'AMOUR DE JÉSUS, EST SI MERVEILLEUX

OOH QUEL AMOUR,
COMMENT IL EST ?
IL EST SI HAUT QU'ON NE PEUT LE RÉHAUSSER
IL EST SI BAS QU'ON NE PEUT LE RABAISSE
IL EST SI LARGE QU'ON NE PEUT LE CONTOURNER

OOH QUEL AMOUR !

6 RÉFLEXIONS SUR JEOVAH-NISSI (AUSSI DIT JÉSUS-DE-NAZARETH) – chant 2

1. JÉSUS NOUS A AIMÉ COMME ON A JAMAIS AIMÉ
IL (jésus-de-nazareth, jeovah-nissi) NOUS GUIDE CHAQUE JOUR
COMME 1 ÉTOILE DANS LA NUIT.

QUAND NOUS PARTAGEONS LE PAIN,
IL (jésus-de-nazareth, jeovah-nissi) NOUS DONNE SON AMOUR
C'EST LE PAIN DE L'AMITIÉ LE PAIN DE JÉSUS.

C'EST MON CORPS, PRENEZ ET MANGEZ; C'EST MON SANG, PRENEZ ET BUVEZ;
CAR JE SUIS LA VIE, et je suis l'amour, Ô JÉSUS EMPORTE NOUS DANS TON AMOUR

2. JÉSUS NOUS A AIMÉ COMME ON A JAMAIS AIMÉ
SON AMOUR (jésus-de-nazareth, jeovah-nissi) FUT SI GRAND QU'IL EN MOURUT SUR 1 CROIX
SON AMOUR (jésus-de-nazareth, jeovah-nissi) ÉTAIT SI FORT, QU'IL SORTI LIBRE ET VAINQUEUR
C'EST LE PAIN DE L'AMITIÉ LE PAIN DE JÉSUS.

Septembre 2017: DJEUYOU POKEM érick, à qui j'avais fait confiance de réceptionner des courriers adressés à ma personne lorsque je serai au Cameroun pour 2 ans, refuse de me remettre tout courrier venu chez lui à montréal, INCLUANT DES COURRIERS DE BANQUE ET DE L'UNIVERSITÉ DE WATERLOO (ON, CANADA), mon ancien employeur.

24. 2017: **PROF. DR. PEARL SULLIVAN**, "DEAN OF ENGINEERING" DE L'UNIVERSITÉ DE WATERLOO (ONTARIO, CANADA), d'origine asiatique, CONTRE TOUTE LOI DU DÉPARTEMENT DE GÉNIE ÉLECTRIQUE ET DU GÉNIE INFORMATIQUE, me fait arrêter par 1 policier d'origine anglaise de la police de l'université (<https://uwaterloo.ca/campus-wellness/services/uw-police>).

FEU MADAME PEARL SULLIVAN M'AVAIT ÉTÉ RECOMMANDE PAR 1 POLICIER NOIR DE LA POLICE DE L'UNIVERSITÉ DE WATERLOO, AUX FINS DE CITER ET PLAIDER AUPRÈS DE PATRICK LAM POUR QU'IL REMETTE MON NOM SUR près de 7 publications dans des journaux et conférences de niveau international, SUR DES ARTICLES OU J'AI AUSSI PARTICIPÉ AU DÉVELOPPEMENT DU PROGRAMME INFORMATIQUE et/ou DES CONTRIBUTIONS SCIENTIFIQUES ACADÉMIQUES.

JE GAGNE CE PROCÈS, puisque j'ai immédiatement refusé de signer 1 document qui m'interdisait de revenir à l'université de waterloo (ontario, canada) sans aucune raisons viables, AUPRÈS DE LA COUR DE JUSTICE DE KITCHENER-WATERLOO EN 2018.

25. 2017: JE ME COUCHE EN PLEINE ROUTE donnant accès à l'université de waterloo, EN SIGNE DE PROTESTATION PACIFIQUE CONTRE LA POLICE DE L'UNIVERSITÉ DE WATERLOO (ON, canada).

JE DÉNONCE ainsi la course-poursuite que je viens de subir de la part de 4 policiers en vue de me sodomiser sur le campus de l'université de waterloo, ontario, Canada (Main road).

1 véhicule du "GRT hospital" ("grand river transit hospital") vient me remettre sur pied pour me conduire en psychiatrie forcée or j'ai plaidé la protestation pacifique en milieu de route contre des agressions de 5 policiers de l'université de waterloo, ontario, canada; Ces policiers sont venus à ma rencontre sur demande du vice-doyen d'antan "JEFF ... CASELLO"; C'est aussi ce même idiot d'italien d'origine qui a paraphé de sa signature écrite à main mon relevé de notes officiel de Mon parcours universitaire a WATERLOO.

J'étais au secrétariat de l'université pour me plaindre de la non réception de mes plaintes pour Plagiat contre "DR. Patrick LAM, ph.d.".

LE MÉDECIN PSYCHIATRE raciste envers l'africain NOIRE qui m'a fait ma première audition avait mentionnée que je baliverne (raconter des chose inintelligible); Je me suis rendu a ma sortie au palais de justice de la ville de "waterloo-Kitchener" pour déposer 1 plainte en bonne et due forme SANS SUCCÈS.

ON m'a plutôt menacé de me faire sortir par la sodomie d'1 policière de race blonde !!!

Le salaud de médecin psy qui m'a fait le rapport pour que je sorte en me précisant qu'ils n'ont rien Observé de mauvais ou de incohérent après 6 jours de résidence forcées; A voulu garder 1 contact dans ma vie privée.

Sûrement pour déclencher 1 procédure de destruction physique sur moi Puisque j'ai des éléments de preuve irréfutables que L'IMMIGRATION CANADIENNE est 1 mécanisme officiel de destruction mondiale de l'Élite intellectuelle AFRICAINE noire !!!

26. 2018: LA POLICE DE WATERLOO ET DE KITCHENER me met 1 masque de sodomie que l'on voit dans les films d'antan, juste à ma sortie du véhicule de police, DANS L'ANCEINTE DE LA BRIGADE DE POLICE.

je fais le raide mort et ils (5 policiers blancs dont 1 très gros blond) ne peuvent me sodomiser !

LE CANADA est 1 pays où des policiers blonds sont très atroces envers des immigrés d'origine africaine, incluant des noirs des îles caribéennes

DANS L'ENCEINTE DU palais de justice, au sous-sol, j'aperçois 1 femme noire des caraïbes dans 1 très mauvaise posture; menottée !

27. 2018: GEORGE KAUFMAN, 1 blond, mon voisin de chambre dans 1 immeuble locatif de la cité de waterloo (ontario, canada), essaye d'entrer dans ma chambre pour m'assassiner avec 1 marteau.

JE CONTACTÉ LA POLICE DE LA VILLE DE WATERLOO EN ONTARIO AU CANADA PAR TÉLÉPHONE PORTABLE; LORSQUE LA 1ÈRE ESCOUADE DE 2 POLICIERS BLANCS ARRIVENT EN VÉHICULE, george kaufman essaye au rez-de-chaussée d'aussi appeler la police. 1 2ÈME VÉHICULE DE POLICE ARRIVE, et 1 POLICIÈRE de race blanche décide de m'arrêter.

LORS DU PRÉLIMINAIRE DEVANT LE JUGE DE PAIX, 1 femme de race blanche, pour ma libération sous-caution, JE renonce immédiatement à la citoyenneté canadienne; ELLE APPROUVE ET REPRÉCISE QUE LES POURPARLERS NE SONT PAS automatiquement retransférés au haut-commissariat du cameroun à ottawa (on, Canada); puisque JE RECOUVRE AUTOMATIQUEMENT MA CITOYENNETÉ camerounaise d'après les lois de la république du cameroun.

JE SORS ALORS DU CANADA EN Septembre 2018 POUR LA RÉPUBLIQUE FÉDÉRALE D'ALLEMAGNE, ET ENSUITE POUR le berceau de mes ancêtres le Cameroun.

DONC CE PROCÈS EST PENDANT AUPRÈS DE LA COUR DE JUSTICE DE KITCHENER-WATERLOO (ON, CANADA) DEPUIS PRÈS DE 5 ANS MAINTENANT.

CAR JE NE SAIS PLUS POURQUOI J'AI ÉTÉ INCULPÉ par cette policière de race blanche.

28. 2018: MON VOISIN DE CHAMBRE, dr. eric-brefo mensah, de citoyenneté canadienne et d'origine ghanéenne, ESSAIE DE M'INVITER À DISCUTER NÉGATIVEMENT DE SON confrère ghanéen DR. SANDY BEIDU; étant chrétien authentique, qui ne fait pas dans la calomnie et du mensonge, JE L'ESQUIVE; pensant être plus imposant physiquement que moi, il fait allusion à l'usage de sa force physique.

SANS MÊME ME FÂCHER, je lui démontre 1 posture qui est très dangereuse pour son égoït s'il essaye quoi que ce soit contre ma personne physique !

29. 2018: J'EU CONNAISSANCE PAR rose sangnou ma génitrice QUE 1 camarade de DEMO NOUNDOU david essaye de la faire voyager pour le canada ontarien aux fins de venir me sortir du canada PARCE QUE JE SERAIS ANORMAL MENTALEMENT.

30. **Août 2018:** DJEUYOU POKEM érick ME FAIT PENSER QUE JE SUIS RECHERCHÉ POUR FOLIE par ma génitrice ROSE SANGNOU alors que je suis en escale chez le cousin de mon feu papa HENRI KÉWOU de montréal.

J'AI, par signe de protestation, détruit la porte en bois de la chambre VIP où Christian Eyoum m'avait fait interné puisque je pouvais décéder dans 1 cabanon, AU VUE DE MON ARRIVÉE DE WATERLOO (ON, CANADA) avec 1 climat d'hivers tempéré à cette période de l'année.

JE REMET TOUT CECI ENTRE DES MAINS DE JEOVAH-NISSI AU CIEL.

33. **Septembre 2018:** ROSE SANGNOU me fait arrêter chez MOI, par 1 escouade de 6 sapeurs-pompiers soit-disant que j'ai cassé mes effets personnels.

34. **JANVIER – JUILLET 2020:** Christian Eyoum dit que je ne suis pas 1 malade psychiatrique, mais que notre famille a 1 problème systémique. IL (Christian Eyoum) décide alors de me transférer chez 1 ancien psycho-thérapeute de LAQUINTINIE, "Dr. JEAN MOUBEB, MD" (actuellement PRINCIPAL DU COLLÈGE INTEG DE DOUALA-AKWA).

LA STAGIAIRE 'FOTSO' DE LA gente féminine, m'y accompagne. Le collège integ de douaala-akwa est situé à quelques centaines de mètres de l'hôpital LAQUINTINIE!

"Dr. JEAN MOUBEB, MD" est à cette époque de l'année entrain de recevoir ma sœur cadette INGRID TCHITCHUI NOUMBISSI (epse chandriand teuntchou noumeni) POUR LE MÊME PROBLÈME. "Dr. JEAN MOUBEB, MD" décide lors de ma 1ère consultation que je devrais m'associer à ROSE SANGNOU ET A INGRID TCHITCHUI NOUMBISSI pour faire 1 thérapie familiale et 1 thérapie individuelle.

"Dr. JEAN MOUBEB, MD" diagnostique et traite sur ma personne 1 problématique de "père manquant" et 1 problématique de "forte colère". Après 6 mois de psycho-thérapie individuelle et familiale par PSYCHANALYSE, en compagnie de ROSE SANGNOU et de INGRID TCHITCHUI NOUMBISSI, "Dr. JEAN MOUBEB, MD" estime que je suis guéri et que je peux même déjà me traiter personnellement pour toute autre problématique mineur en ré-utilisant la PYRAMIDE DES BESOINS DE MAXLOW qu'il m'a inculqué.

"Dr. JEAN MOUBEB, MD" nous (INGRID TCHITCHUI NOUMBISSI et ROSE SANGNOU) que nous devons aller vivre sans plus mélanger notre vie de famille nucléaire avec des oncles et des tantes utérins ou plus.

"Dr. JEAN MOUBEB, MD" re-précise ne plus vouloir écrire 1 rapport pour Christian Eyoum qui nous (ROSE SANGNOU et INGRID TCHITCHUI NOUMBISSI) a transféré chez lui.

À ce moment, je n'ai jamais eu de contacts aucun avec DR. ERERO NJIENGWE (psychologue-thérapeute), qui interviendra de force dans ma vie plus tard; après que mon domicile privé de la cité-des-palmiers fut démoli pour essayer de m'assassiner dans 1 nuit de FÉVRIER 2021.

35. **2020:** HENRI BERTRAND NGATCHOU (HENRINGATCHOU@yahoo.fr), 1 oncle maternel véreux, et aussi 1 déclarant sous-douane QUI FAIT FALSIFIER DES MONTANTS DE FACTURATIONS DE PRODUITS DE SES CLIENTS sous mes yeux en pensent que JE LUI REDEMANDERAI DE ME RÉINTRODUIRE DANS SA SUITE D'EMPLOYÉS.

36. **2020:** DAVID FRANCIS ÉBOUTTE, mon locataire et propriétaire de la société d'échafaudage industriel TRADIS S.A.R.L. (<https://tradis-cm.com>) essaie de m'agresser physiquement pour cause que je lui réclame son loyer.

37. 2020: DAVID FRANCIS ÉBOUTTE, mon locataire et propriétaire de la société d'échafaudage industriel **TRADIS S.A.R.L.** (<https://tradis-cm.com>) me fait des dérangements journaliers en recrutant des petits voyous aux fins qu'ils viennent dans ma fin de route pour faire des bavardages et commérages inutiles.
38. Janvier 2021: La brigade de gendarmerie de ndog-bong essaye de m'intimider à aller de force prendre 1 traitement psychiatrique aux fins de re-assouvir des désirs de LAURENT TCHANDEU qui a des projets politiques d'envergures.
39. Février 2021: BERTRAND, gros bras de **Christian Eyoum** est entré par effraction à mon domicile de la cité-des-palmiers en FÉVRIER 2021 aux alentours de "23 : 18" dans la nuit, après avoir défoncé le cadenas avec 1 arme blanche.
40. Février 2021: **Christian Eyoum** établie 1 acte médical contre moi, APRÈS AVOIR ÉTÉ ENTRÉ CHEZ MOI CONTRE MA VOLONTÉ. IL REMET CET ACTE faux et non souhaité de ma personne, à ROSE SANGNOU ma génitrice.

- La venue de la famille TCHINGWA (marie et moise) Sans que je ne les invite avait déjà alerté ma personne qu'ils viennent pour me faire des embrouilles.
- J'Y ÉTAIS (ADLUCHEM) POURTANT POUR TRAITER 1 HYPERGLYCÉMIE CHRONIQUE.
42. 2021: 1 VOISINE: dont j'ignore même des noms ou prénoms, sous le prétexte que je l'aurai accosté pour des besoins sexuels, DÉBARQUE DEVANT MA DEVANTURE POUR BAGARRER AVEC MA PERSONNE.
- APRÈS QUE J'EUS RECONTACTÉ LA compagnie de gendarmerie de ndog-bong, ELLE (la compagnie de gendarmerie de ndog-bong) me fait savoir qu'elle est dans l'incapacité d'appréhender cette jeune fille au pseudonyme de "HILARY".
43. 2021: PETER AKUME NGOE (PHARMACY FIANGO LYCÉE MAKEPE à Douala-Makepè), 1 pharmacien avec qui j'avais conclu 1 partenariat de fourniture et de déploiement de mon système d'information ERP-PGI, refuse de me reverser 1 reliquat de 50 000 FCFA de paiement.

DR. LAURENT TCHANDEU NE SE REPRÉSENTE PLUS DEVANT MA PERSONNE DE PEUR QUE NOUS PUISSIONS AVOIR 1 ALTERCATION PHYSIQUE puisqu'il m'a déjà fait violenter à plusieurs reprises.

Dr. HENRIETTE POLA (son épouse et médecin gastro-entérologue et hépatologue), LUI A DÉJÀ DIT DE NE PLUS ME RECONTACTER. MAIS AU VUE DE SON PASSÉ CRIMINEL, il n'arrive plus à rester tranquille sans s'attaquer à des jeunes hommes, plein d'avenir et de vie.

DR. LAURENT TCHANDEU A ÉTÉ 1 COLLABORATEUR DE FEU JEAN FOCHIVÉ au cameroun ancien !

L'IMPOSANT, PHYSIQUEMENT, cadre de banque menace DR.-ING. DIPL.-INF. 75. "03" Septembre 2023: AGENT SED (secrétariat d'état à la défense) "Claude", 1 vaut-rien vivant dans 1 maison abandonnée par 1 gardien de terrains de HONORABLE THÉODORE DATOUO; essaye de me menacer de faire annuler mon permis de bâtir (Signé de Gilbert TSIMI EVOUNA);
- "21" Septembre 2023: CLAUDE, le vaut-rien du SED, essaye de venir montrer être valable chez sa collègue ROBERTINE CARINE LELE NJOUGE TCHANA, qui se fait appelée Édith de bangou; Bien que son nom réfère au village Bagangté !

78. PAUL BIYA en veut à ma santé mentale par le biais du voisin vaut-rien du SED: ALINE azefa.

79. "25" *Octobre 2023*: LA CITOYENNE ALLEMANDE teuntchou noumeni INGRID, me menace de me faire enfermer illégalement dans 1 cellule de la prison centrale de Nkodengui puisque j'ai redemandé à ma génitrice ET MÈRE de TEUNTCHOU NOUMENI INGRID, de ne plus me harceler avec des questionnements sur ma vie privée.

AUX DERNIÈRES NOUVELLES, provenant de celles-ci, puisque n'ayant pas rechignés, ROSE SANGNOU ET TEUNTCHOU seraient de la ROSE-CROIX amorc (Ancien Mystique Ordre de LA ROSE-CROIX).

ANGÉLA SHANDA OWONA, leur congénère utérin par PR. DR. RER. POL. SHANDA TONME jean-claude, m'avait invité à y prendre par au ministère des relations extérieures !

80. "29" *Octobre 2023*: 1 voisin illégal installé par THÉODORE datouo (soit-nommé Moise), vient se plaindre de feuilles de ses plantains-bananaïes taillées parce qu'elles pénètrent dans ma propriété privée.

CE FAISANT, moise soit-nommé, dont j'ignore des identifications légales et/ou autres, détruit 1 tube d'ornement sur mon petit portillon d'entrée de IMMEUBLE YERITH, APRÈS QUE JE LUI AI INTIMÉ L'ORDRE de ressortir de IMMEUBLE YERITH; mon domicile privée et bureaux (JE N'AI AUCUN AGENT DE SÉCURITÉ À DATE D'ÉCRITURE).

Moise, vaut-rien ne faisant aucun métier ou pratique professionnelle, JE contacte "FRANÇOIS BATOMEN" et "MAMAN THÉRÈSE (MA-T)" ses parents biologiques pour 1 réparation: XAVIER VA CHEZ TOI; tu as détruis notre tronc de bananier-plantain.

Ce jour, SAMEDI 04 NOVEMBRE 2023,

J'AI DIRIGÉ 1 CONVERSATION AVEC le promoteur de l'association d'éducation au football E.P.T.A, 1 monsieur très tranquille apparemment dont j'ignore, par oubli, des noms et / ou identifications. IL A DIT PARLÉ DE CES FEUILLES QUI ENTRENT chez moi illégalement à BATOMEN.

81. "09" *Novembre 2023*: CE MATIN DE JEUDI 09 Novembre 2023, je me suis mis à râler sur le trottoir à l'encablure de chez moi contre le président du parti politique R.D.P.C puisque je ressentais des relents d'arrestations et d'incarcérations illégales du SED-EPTA, voisin.

82. "16" *Novembre 2023*: Voisin illégal Pierre Foka, gérant d'1 petite scierie voisine à celle de FRANCK BIYA (S2TBED); À DÉPOSER 1 camion endommagé au virage gauche venant de ma propriété légale, voici bientôt 2 semaines.

83. "16" *Novembre 2023*: MONSIEUR LE CHEF DE BLOC séverin atangana m'a promis convoquer François Batomen pour lui redemander de libérer mes espaces légaux, avec ses feuilles de bananiers-plantains.

84. "18" *Novembre 2023*: GENDARMERIE COLONEL kémajou, Vient de menacer ma personne aux fins que je ne rédige plus SES FORFAITS tels que mentionnés dans ce curriculum vitae étendue !

85. "29" *Novembre 2023*: LE SECRÉTAIRE D'ÉTAT À LA DÉFENSE YVES GALAX LANDRY etoga semble être incompétent à mon humble avis !

86. "02" *Décembre 2023*: Je soupçonne la société S2TBED d'être 1 société-forestière prétexte du SECRÉTARIAT D'ÉTAT À LA DÉFENSE pour détruire des hommes d'affaires africains-noirs.

87. "19" *Décembre 2023*: MAXIME napoa étémé m'avait dit être de la SEMIL, mais il n'est que à la base navale RMIA2.

IL (maxime napoa étémé) m'avait promis ne plus permettre que je sois séquestré arbitrairement !

88. "21" *Décembre 2023*: IL (MAXIME napoa étémé) m'avait dit que le colonel BAMKOU (directeur de la SEMIL) avait agréé me faire confectionner 1 badge d'agent de renseignement SEMIL, pour 1 salaire mensuel d'1 minimum de "100 000 francs" mensuel.

JE lui ai remis 1 cadeau de 256 000 !

IL (MAXIME napoa étémé) s'est éclipsé de son numéro de téléphone mobile MTN (6 75 75 36 43) voila plus de 2 semaines à date.

IL (MAXIME napoa étémé) aurait reçu de l'argent des SHANDA (6 99 75 47 59; 6 77 47 42 27).

JE vais retourner à l'ordre des avocats du Cameroun pour essayer de ravoir 1 avocat-conseil acquis à ma cause face aux attaques non judiciaires perpétrées sur ma personnes par SHANDA-OWONA.

89. "21" *Décembre 2023*: IL (MAXIME napoa étémé) a 1 poste de vente et commerce illégal posté à mes entrées privées de la cité-des-palmiers a Douala; 1 voisine d'1 appartement désaffecté depuis près de 20 ans, et non encore démoli par la CUD (communauté urbaine de Douala) est son employée a temps plein.

CE poste n'a jamais été détruit sur mes requêtes auprès de YOLANDE de Bafoussam (Ouest du Cameroun) !

JE soupçonne MAXIME NAPOA ETEME d'être entrain de pourrir le niveau de vie de mes potentiels locataires sous paiements de SHANDA-OWONA !

90. "22" *Décembre 2023* : GABRIEL takoumbe ne m'a plus recontacté: IL (GABRIEL takoumbe) a débuté à me racheter 1 camion de gravier dont je n'en ai plus besoin pour des travaux de maçonneries !

IL (GABRIEL takoumbe) serait aussi selon toute vraisemblance 1 agent SED (SÉCRÉTARIAT D'ÉTAT A LA DÉFENSE) !

91. "22" *Décembre 2023* : ME. NTONE, avocat conseil agréé à l'ordre des avocats du Cameroun; a accepté être mon nouveau avocat conseil; Sans constitution.

ME. NTONE, mon nouveau avocat conseil, a ses bureaux près de la maison de la radio à Yaoundé, SIS IMMEUBLE GMC.

92. "24" *Décembre 2023* : S2TBED, entreprise forestière illégale, et appartenant à Franck BIYA, ENTRETIENT des agents de renseignements du type de l'Allemagne HITLÉRIENNE.

EN EFFET, ils ont des idées du type:

1. des herbes autour de chez toi ne sont pas encore nettoyées; même si tu n'as pas de force ou d'argent pour le moment; TU DEVRAIS ÊTRE EMMENÉ EN PSYCHIATRIE !

2. JEAN de maroua est le principal auteur de ces allégations; 1 individu ne possédant même plus 1 CERTIFICAT D'ÉTUDES DU 1^{er} cycle camerounais (enfants allant jusqu'à 12 ans environ.

3. les personnes seuls sont illégales; ces personnes devraient être emmenées en psy.

Ce type de personnages travaillent pour KEMAJOU, ivrogne et alcoolique colonel de gendarmerie; Par le biais de la société de gardiennage "General Security".

Certains éléments de la police et de la gendarmerie au Cameroun arborent des treillis similaires à ceux portés par des "militaire SS de l'Allemagne HITLÉRIENNE".

J'ai attiré ceci à l'attention de 2 hommes en tenues de police et de l'armée marine.

93. "29" *Décembre 2023* : JUGE D'INSTRUCTION ALAIN HUGUES YAGER MABOMA n'est pas du tout serein dans mes affaires judiciaires puisque je n'ai plus observé d'avancements.

94. "28" *Décembre 2023* : La société TATAVI S.A.R.L a envoyée 1 agent SED (Secrétariat d'État à la Défense) à ma rencontre lorsque je voulais rencontrer 1 agent immobilier ce 28 Décembre 2023 a Yaoundé !

CURIEUSEMENT l'immeuble abritant cette entreprise malévolente porte des couleurs vertes et jaunes, rappelant celles utilisées par la gendarmerie.

Tout porterait à croire qu'1 bâtiment au cameroon arborant ces couleurs de jaune et de vert serait juste 1 point de renseignement de la gendarmerie nationale.

95. "29" *Décembre 2023* : 1 véhicule non immatriculé a essayé de me percuter lorsque je marchais tranquillement sur la route menant à mon domicile de Yaoundé–Ahala ce jour vers "14 : 30".

Ce véhicule avait l'air d'1 véhicule de renseignement de l'armée camerounaise.

96. "30" *Décembre 2023* : LE JOUR OU JE DÉPOSAIS MA PLAINTÉ arrêtee, sur recommandation du pasteur MARCO de Chapelle Gloire De Christ, de New-Deido–DOUALA, J'avais remarqué la présence dans mon arrière, assise, d'1 militaire dame vêtue d'1 casquette portant la mention SEMIL (N.D.L.R: Sécurité Militaire) !

CECI ÉTAIT EN FÉVRIER 2021.

CET ATTENTAT VISANT À DÉTRUIRE MA VIE DE CHRÉTIEN NÉ-DE-NOUVEAU, s'est passé dans la nuit du jour suivant où j'ai rencontré 1 voisin disant pouvoir me fourvoir d'1 emploi d'agent de renseignement au ministère de la défense du Cameroun: "L'ADJUDANT CHEF MAJOR MAXIME NAPOA ETEME" !

Je ne suis jamais allé premièrement à la rencontre du voisin "L'ADJUDANT CHEF MAJOR MAXIME NAPOA ETEME"; c'est lui qui avait établi 1 premier contact avec moi en me saluant et me montrant son domicile lorsque je sortais d'1 magasin de vente de produits d'occasions et neufs provenant de la RFA (République Fédérale d'Allemagne) !

"L'ADJUDANT CHEF MAJOR MAXIME NAPOA ETEME" m'avait dit avoir été en visite chez moi à mon domicile de location du SED-agent "TRADIS S.A.R.L.".

La société d'échafaudage industriel "SED-agent TRADIS S.A.R.L" a déménagée de chez moi en Septembre 2023 en laissant plus de 3 mois de loyer impayés. DIRECTEUR DAVID FRANCIS EBOUTTE !

97. "30" *Décembre 2023*: Henri Bertrand Ngatchou, 1 frère cadet de ma génitrice Rose Sangnou, a essayé de me faire des examens médicaux puisque je suis sans soucis de santé, Aux fins de me faire subir des arrestations dans des prisons (cabanons) de fous dans des hôpitaux psychiatriques.

Ceci s'est passé lors de son invitation dans son village Bangou pour des célébrations du mariage de sa nièce Cynthia Nkwouano !

J'ai cessé tout rapprochement avec cette famille NGONGANG de ma génitrice Rose Sangnou !

98. "07" *Janvier 2024*: TIMOTHÉE et 1 jeune garçon, tous deux de SECTE JERUSALEM APOSTOLAT sont stationnés à mon entrée principale (au portillon) à mon arrivée venant de barrière ce dimanche matin aux alentours de 10 : 30.

23 ÉVÈNEMENTS MARQUANTS (SUITE) – ATTAQUES DE GUIMEZAP IUC PAUL MARTINE JACKSON TSOPMO MCGILL UNIVERSITY

99. "08" Janvier 2024: L'institut Universitaire de la Côte a essayé de me faire des ennuies par rapport à l'ouverture officiel du centre de formation Informatique YERITH R&D.

LA ROSICRUCIENNE et génitrice de ma personne (Rose SANGNOU, veuve Théodore NOUMBISSI), qui partage la même sorcellerie de loge avec MARTINE GUIMEZAP et PAUL guimezap, ce fondateur de L'INSTITUT UNIVERSITAIRE DE LA CÔTE et son épouse du village BAFOU A L'OUEST; vient chez moi faire sa (IUC de Douala) publicité en arborant 1 T-SHIRT gris arborant des sigles de L'INSTITUT UNIVERSITAIRE DE LA CÔTE DE DOUALA (IUC) !

IL semblerait que je suis entouré de personnes de sorcellerie qui ne veulent pas dévoiler devant ma personne, mais qui souhaitent que je constate ceci avec du temps passé et des désespoirs manqués et / ou pas.

100. "09" Janvier 2024: L'éraflure de voisine du village BAFOU comme des guimezap a fait semblant d'être me génitrice ce matin à mon passage en arborant 1 coiffure de cheveux similaires à ce que la Rosicrucienne ROSE SANGNOU veuve Théodore Nombissi se coiffe régulièrement dans la cité de moi !

CETTE ÉRAFLURE du nom de Paulette AZEFA; dont j'ignore d'où elle serait née, a déjà essayée de me faire 1 assassinat par sa fille du SED-yves-landry-etoga-galax EN PLEINE ROUTE lorsque je traversais la demeure qu'elles occupent !

C'est à mon retour définitif de mon séjour d'études et de travail de l'occident que j'apprends que cette demeure aurait été construite avec des matériaux délibérément CAPTÉS dans mon chantier personnel qui avait pour gardien RÉNÉ Mbazeu; BEAU-FRÈRE DE Josué nkwouano; petit-frère de la génitrice Rose SANGNOU à Douala !

LA VOISINE et sœur du capitaine BIR-baitaillon-d'intervention-rapide PIERRE-MARCELLIN-EMANÈ-NKOA est pourtant de la gendarmerie nationale; C'est quand même surprenant que cette ancienne chef du service de recrutement du SED vive où il y'a toute cette insécurité; En compagnie du CAPITAINE-MBIDA de l'armée de l'air du Cameroun !

101. "09" Janvier 2024: L'électricien "LUCIEN" ("6 79 01 63 68") ayant installé ma pompe à eau pour mon forage, avait fait exprès de me demander de racheter 1 flotteur, sachant pertinemment que celui-ci est non approprié.

JE soupçonne l'électricien "LUCIEN" ("6 79 01 63 68") d'être aussi 1 agent SED pour contrer toute velléité de progrès dans le Cameroun, venant des camerounais authentiques, NON mariés par des loges sataniques et autres aux caucasiens !

102. "09" Janvier 2024: Je me rends compte vivre dans 1 endroit où presque toute âme essaye de me faire assassiner ou bien arnaquer en ARBORANT sed.

103. "09" Janvier 2024: Ma connexion internet DE MTN Afrique-du-sud EST ÉTRANGEMENT BEAUCOUP plus lente ces 3 dernières semaines !

104. "12" Janvier 2024: L'institut de formation de techniciens supérieures "ISTIAM" semble être intéressé par ma start-up YERITH R&D et mes dons d'enseignant en sciences Informatiques.

JE leur soumettrai 1 nouveau curriculum vitae, en Français, approprié pour la gestion entrepreneuriale d'1 start-up au sein de leur institut de formation professionnelle.

JE communique avec son ("ISTIAM") responsable pédagogique, M. GUIMEYA; M. GUIMEYA m'avait aussi dit connaître personnellement les promoteurs de l'IUC (Institut Universitaire de la Côte); je lui ai aussi fait part de cette relation entre eux et moi.

24 ÉVÈNEMENTS MARQUANTS (SUITE) – ATTAQUES À LA DÉLÉGATION GÉNÉRALE DE LA SÛRETÉ NATIONALE (DGSN)

105. "12" *Janvier 2024*: J'étais ce matin au commissariat de AHALA pour me tenir informer de la position de ma génitrice Rose Sangnou qui est venue il y'a quelques jours a Yaoundé semer 1 confusion sur ma personne dans mon voisinage.

Cette situation de perpétuelle mise-en-garde contre des destructions corporelles par les soins des médecins psy me persuadent d'1 ou plusieurs tentatives de m'éliminer physiquement en prenant pour cible ma génitrice et maman comme source de cette élimination physique et de l'esprit !

J'AI été obligé de me faire partir de force Puisque 1 des policières et 1 autre policier; JE ne sais pas ils avaient déjà reçu de l'argent, de LA rosicrucienne ROSE SANGNOU MA GÉNITRICE, voulait déjà me faire violence et me:

- (a) pour l'1 des policières me maintenir derrière le poste sans mon consentement, alors que c'était moi le plaignant; Venu de son propre gré se plaindre du désordre de sa génitrice dans son voisinage, AU sujet de ses effets personnels que j'ai mis à la poubelle;
- (b) pour 1 des policiers, DE me redemander si je souhaiterais rencontrer 1 médecin.

106. "13" *Janvier 2024*: ROSE sangnou, ma mère, et génitrice, NE SAIS PLUS POURQUOI ELLE EST en ce moment dans la ville de Yaoundé, sous recommandation de DR. fernand junior wolfgang owona.

107. "18" *Janvier 2024*: Madame Manga CHEF D'AGENCE DE EXPRESS UNION de barrière ne m'a plus informée si ma demande a été acceptée ou plus.

Madame Manga, m'avait d'abord fait 1 allusion à ce que je ne pourrais obtenir de prêt bancaire que si ma génitrice Rose Sangnou était impliquée.

JE lui ai rétorqué, que ceci concerne ma vie privée financière et que je fermais mon compte EXPRESS UNION si ceci n'était pas respectée !

MADAME manga m'a dit de lui donner l'original de la copie de mon titre foncier de YAOUNDÉ-simbock; DAME r.d.p.c – Bangou et génitrice Rose SANGNOU a refusée de s'exécuter !

Le frère cadet HENRI BERTRAND ngatchou de Génitrice ROSE SANGNOU est le vice-président du R.D.P.C à Bangou.

HONORABLE datouo théodore, QUI m'avait revendu ce terrain en Novembre 2012 en est le président du R.D.P.C bangou.

DR. fernand jr wolfgang owona, Fils de FEU ministre JOSEPH OWONA, et petit-fils de MINISTRE grégoire OWONA, est du R.D.P.C à Yaoundé.

108. "30" Janvier 2024: 1 gendarme assez bruyant fait irruption dans 1 kiosque MTN MOMO (Mobile Money) où JE suis entrain de reparler avec 1 huissier de justice par rapport à mon affaire d'incarcération illégale dans des cabanons pour fous PAR LA rosicrucienne et génitrice Rose Sangnou !

JE soupçonne le Secrétaire D'État à La gendarmerie, personnellement, "Yves Galax Landry ETOGA", d'être encore à l'origine de cette énième intrusion dans mes vies privées de façon illégale !

ET ceci dans l'optique de ternir mon image de marque en vue des prochaines élections présidentielles anticipées au Cameroun en 2024 !

IL y a de ceci plusieurs semaines, lorsque j'étais à la brigade ter de gendarmerie de EBOM à Yaoundé pour me plaindre de la petite tentative d'assassinat venant de ALINE azefa, 1 voisine illégale de mes domiciles de Simbock, 1 dame gendarme en tenue militaire est entrée dans le bureau du commandant adjoint de brigade avec lequel j'étais en train de m'entretenir pour lui signifier que je n'étais pas en bon rapport avec YVES (puisque officiellement je n'ai jamais commis aucune infractions !

JE perçois tout ce cirque judiciaire sans issues comme des attaques politiques du RDPC (CPDM en anglais) !

109. "30" Janvier 2024: "L'huissier de justice MAÎTRE ANDRÉ", du cabinet de MAÎTRE FOUMANE au niveau de "montée Anne Rouge à Yaoundé" me recommande de me déplacer pour Douala pour réclamer mon titre foncier personnel à ma génitrice et mère Rose Sangnou !

110. "02" Février 2024: JE viens encore de me rendre au commissariat de AHALA pour rencontrer 1 officier qui m'avait été recommandé par le "procureur MBOUYOM MOFFOR Hyacinthe" de YAOUNDÉ-CENTRALE; 1 DES policier me dit d'abord qu'il est sorti et pas très loin du poste, et que je peux aller à sa rencontre séance tenante.

JE me met simplement à l'attendre de peur de ne pas être comme il faut en le recherchant à l'extérieur de l'enceinte du commissariat du 19^{ème} arrondissement de Yaoundé.

JE leur dis ensuite que je m'éclipse puisque je n'ai plus assez de temps d'attente.

CE même policier me demande alors si je n'ai regardé à l'arrière du poste dans son bureau, OÙ L'ON accède en les traversant de l'intérieur où ils étaient (policiers en tenus !) !

111. "03" Février 2024: **Samaneh Navabpour** M'avait pourtant, lorsque j'étais encore son collègue d'université, Prédit 1 avenir tumultueux en Afrique contemporaine, Comme pour elle EN iran.

Amir vakili Hossein était aussi très sceptique pour mon avenir si je m'hasardais à retourner au Cameroun après mes études de Doctorat-PhD De l'Université de Waterloo a Waterloo (ON).

112. "10" Février 2024: J'ETAIS CE JOUR A "HAPPINESS POTENTIAL SARL" a la rencontre de DR. fabrice wilfried siemeni.

"HECNA NGAYAM", 1 comptable de "HAPPINESS POTENTIAL SARL", a eu l'amabilité de me représenter sur internet, Pour l'obtention d'1 identifiant personnel aux impôts du Cameroun; J'en ai principalement besoin aux fins d'obtenir 1 carte bancaire "VISA CRÉDIT électron".

J'EU VENT DE CE QUE sa collègue "HECNA NGAYAM" eût essayée sans relâche de me rejoindre par téléphone, bien que j'ai toujours réprécisé aimer communiquer par "GMAIL.COM".

J'ai rencontre aussi 1 éraflure d'enseignant nomme "M. Isidore WATTAT"; DONT J'IGNORE LES PRÉNOMS ET AUTRES DÉTAILS PERSONNELS.

113. "18" *Février 2024*: Des voisins ont pris des habitudes d'aller raconter des mensonges aux autorités sanitaires aux fins que je sois appréhendé pour 1 hôpital psy.

EN l'occurrence PIUS et son épouse Florence; "BATOMEN" et son épouse Thérèse (au sobriquet de "MA-T") !

ILS sont (FRANÇOIS, PIUS, FLORENCE, "MA-T (N.D.L.R: maman thérèse)"), des jaloux de mon succès financier d'informaticien aux Canada et En Occident ("Silicon Valley" PAR siemens medical solutions USA.) !

"M. Isidore WATTAT" de "happiness potential sarl" A LAISSÉ SES CHEVEUX poussés avec 1 barbichette comme s'il est 1 psy.

Depuis que j'ai eu à revoir 1 enfant MVONDO ASSAM chez "happiness potential sarl", IL se remarque des personnes étranges telles que DOCTORESSE MBARGA; et 1 CERTAIN PSY "M. Isidore WATTAT".

Depuis que Siemeni Fabrice Wilfried m'a appelé au téléphone 1 jour où j'avais reçu mon loyer de 160 000 francs de GERMAIN-BLAISE ndzié, mon ancien locataire à la cité-des-palmiers, ET CECI PAR 2 REPRISES, sans que je ne sache comment il fût au courant de cette entrée d'argent, J'AI préféré lui proposer 1 partenariat en affaires dans ma structure en cours de formalisation au ministère du commerce (YECEFOIQ: YERITH-CENTRE DE FORMATION INFORMATIQUE).

"FABRICE WILFRIED SIEMENI" m'a dit être intéressé, mais il n'a plus jamais manifesté 1 intérêt extérieur autre que accepter que je lui reverse 1 montant supérieur à 200 000 francs pour le rachat aux ÉTATS-UNIS de certaines fournitures non présentes sur le marché local.

"FABRICE WILFRIED SIEMENI" ME PARAÎT DONC suspect dans mes arrivées en affaires.

"FABRICE WILFRIED SIEMENI" vient la 1^{ère} fois à ma rencontre lorsque je visite la réunion "NUFI-CANADA" de TORONTO; pour me reparler de ses services de nutritionniste.

"FABRICE WILFRIED SIEMENI" m'invite ensuite à 1 cabinet conseil en nutrition au centre ville de Toronto; et par la suite souhaite passer me faire 1 consultation à domicile au niveau de mon iris Pour essayer 1 nouvelle thérapie TELLE QU'IL ME L'AVAIT REPRÉSENTE lors d'1 réunion à nufi-canada; ALEXIE TCHEUYAP, vice-recteur de l'université de Toronto en ce moment, avait été celui qui m'a présenté Fabrice Wilfried Siemeni.

114. "26" *Février 2024*: 1 dame dont j'ai oublié des noms et prénoms; Et que j'ai rencontré pour 1^{ère} fois au magasin de consommables informatiques juste située face "Collège Integ à Douala"; Se représente à ma personne faisant mention de ma génitrice et de ma sœur utérine INGRID.

JE me distance directement cette dernière, Pensant que celle-ci est en provenance de ma génitrice et de Christian Eyoum !

Cette jeune dame d'1 quarantaine d'année est vêtue d'1 ensemble haut jaune et d'1 jean bleue, Mentionnant "NORLAND" !

115. "04" *Février 2024*: JEAN-PIERRE Kamgain, 1 connaissance d'enfance, au quartier New-Deido de DOUALA; essaye de me faire 1 sodomie en venant dire chez moi à mon domicile de Yaoundé qu'il souhaite y passer 1 nuit avec moi; Ceci s'est passé en Décembre 2023 !

DOROTHÉE DJATIE SHANDA OWONA, est venue en visite chez ma grande-maman TCHITCHUI Élisabeth lorsque j'y séjournais quelques 9 jours en attente de matériels informatiques pour la création et ouverture de YECEFOIQ.

116. "03" Mars 2024: JE viens de me rabaisser à manger dans 1 "tourne-dos face Quincaillerie N.K (Nestor Kenfack)".

"TEUNTCHOU NOUMENI ingrid", 1 sœur utérine fait retarder des travaux de réfection de mon appartement de 3 chambres sis cité-des-palmiers !

"Honoré WOUCHE", 1 cousin non germain maternel, qui a réalisé des tables pour YECEFOIQ (YERITH-CENTRE DE FORMATION INFORMATIQUE); M'en a réparé.

"Honoré WOUCHE", m'a aussi fait savoir qu'1 ses filles est employée dans 1 plantation de "Mvondo" dans le Sud du Cameroun; JE soupçonne 1 tentative du RDPC de me mettre hors de mon réseau naturel familial et financier Puisque "HENRI BERTRAND Ngatchou" ("Propriétaire Best Car Care & Services"), aussi 1 cousin maternel de "Honoré WOUCHE", ET 1 oncle maternel à ma personne, Vient d'être nommé par cooptation, ET NON PR CANDIDATURE, Vice-président du RDPC (C.P.D.M.) à Bangou à l'Ouest-Cameroun: Son village natal !

"TEUNTCHOU NOUMENI ingrid", EST AUSSI L'ÉPOUSE DE teuntchou isaac, membre influant au Secrétariat D'état à la Défense (SED); 1 organisme terroriste de MVONDO ASSAM Bonivan !

"MVONDO ASSAM Bonivan", est aussi 1 des actionnaires initiateurs de la société forestière frauduleuse, et voisine à ma demeure de Simbock-Barrière !

"TEUNTCHOU NOUMENI ingrid", s'était pourtant solennellement désengagée de suivre 1 quelconque acte de nos propriétés de la cité-des-palmiers DE SON PROPRE GRÉ pour me les laisser de plein droits aux vues de: Sa citoyenneté ALLEMANDE; et son mariage légal à l'allemand "TEUNTCHOU NOUMENI chandriand"!

"TEUNTCHOU NOUMENI ingrid", et "TEUNTCHOU NOUMENI chandriand" étaient tous 2 des citoyens camerounais au moment de la célébration de ce mariage frauduleux aux vues de ma non ACCEPTATION en tant que frère unique aîné de "TEUNTCHOU NOUMENI ingrid" !

117. "06" Mars 2024: 1 porteur de sacs de "Quincaillerie Aimé SARL", situe non loin et en face de "Quincaillerie N.K (Nestor Kenfack)" me dit de ne plus lui dire: "EST CE QUE MONSIEUR AIMÉ, votre chef d'équipe est présent sur ses lieux de services" ?

118. "10" Mars 2024: M. weladji, dont j'ignore les prénoms, M'avait arnaqué 1 montant de 20 Milles FRANCS et je m'étais rendu à la 'brigade ter de gendarmerie de Akwa-Sud' à Douala Pour re-avoir mon argent, Moyennant 5 Milles de frais aux gendarmes.

M. weladji, À ma grande surprise, N'a plus été inquiété par 1 procédure pénale !

120. "16" Mars 2024: MBIDA, voisin travaillant à la garde présidentielle du Cameroun, hors-la-loi puisque devrait vivre dans 1 caserne, EST encore entrain de faire du désordre chez moi !

IL a enfin, TELLE que rapporté par "M. Onguene", et "M. Moise" de S2TBED pensé à faire réparer la route endommagée par des camions de S2TBED. C'EST à croire qu'il serait 1 actionnaire de cette entreprise illégale dans mon quartier Puisque ne respectant plus des normes environnementales de bases telles que: DES DÉCHETS d'essences de bois sur les piétons en plein 09 : 00 du matin par exemple.

"MBIDA" a fait porter des déchets de part et d'autres de la 2^{ème} entrée, juste face à mon entrée principale, pour les déversées, mélangées avec de la terre, sur le rebord de mon mur de face à la route principale !

121. "20" Mars 2024: "MANI", 1 protégée de "Hon. Datouo Théodore"; ancienne épouse du feu gardien des terrains à barrière-Simbock-Ahala de Datouo, me recommande à 1 frère aîné de mon ancien compagnon canadien JD TUJILO TCHOKOTÉ.

"MANI", me recommande ainsi à "MARCEL tiemeni", frère aîné de JD TUJILO TCHOKOTE, qui est entrain de construire 1 barrière sur son terrain acquis il y'a de ceci 12 ans environ, juste au même titre foncier que le mien chez l'acheteur en gros "HONORABLE THÉODORE DATOUO".

122. "26" Mars 2024: "JEAN-PIERRE kamgain" me toise en pleine route lorsque je me rends à Chapelle Gloire De Christ.

123. "26" Mars 2024: "TITO MARKET SARL" (<https://>) n'a plus commandé exactement la pièce "NC-300" de "SavingOlogy.com" Que je désire ravoir. ILS m'ont dit être plus tranquille avec 1 KVM-switch qui serait 1 technologie plus nouvelle que celle d'1 "MULTI-USER TERMINAL COMPUTER" !

Malheureusement pour eux, Je ne peux plus accepter de changements, PUISQUE j'ai déjà racheté, par exemple, des claviers à ports "PS/2" qui fonctionnent avec des ports "PS/2" du "NC-300 Multi-User Terminal Computer" de "SavingOlogy.com" !

AUSSI, je souhaite ravoir seulement 1 'NC-300 Multi-User Terminal Computer" pour mes clients du fait de la facilité d'entretien face aux avancées en piratage informatique dans des années à venir: En effet, la quantité des données est très limitée avec des ports "PS/2", Comparativement aux autres ports tels que USB, DVI, etc. !

Aussi, je souhaite être purement et simplement rembourse puisque 3 semaines d'attentes et des frais de déplacements supplémentaires pour Douala ne sont plus comme il faut pour mon budget limite d'entrepreneur HIGH-TECH !

JE faisais cette commande par 1 intermédiaire puisque je n'avais pas encore 1 numéro d'identifications unique pour des impôts requis par "la banque Filiale UBA Ange-Raphaël" pour l'obtention d'1 carte VISA-MASTER-CARD pour mes rachats personnifiées en ligne, Au magasin "SavingOlogy.com" !

124. "26" Mars 2024: DR. Audrey Mbarga était très avenante ce matin lorsque je revisitais des locaux de 'happiness potential sarl' !

L'ÉRAFLURE DE "psy wattat" n'était plus du palier !

125. "28" Mars 2024: L'ÉRAFLURE DE "Billie-joie" me suivait ce matin lorsque je revenais de rendre visite au pasteur "Marco" de CHAPELLE GLOIRE DE CHRIST.

1 INDIVIDU vivant dans 1 petite route de quartier à new-deïdo; le quartier où je séjourne chez mon grand-père maternel en ce moment; arborant de temps à autres 1 treillis "AGENT DE SANTÉ COMMUNAUTAIRE" surnommé "MBAKO"; et Ayant des cheveux blancs ébouriffés, Me fait suivre !

126. "31" Mars 2024: 1 dame vendant du poisson à la braise; vivant sur la rue où 1 "Billie-joie", précédemment cité dans mes récits se loge; ME redit à plusieurs reprises lorsque je circule sur la voie publique en faisant des signes de croix en signe D’AFFIRMATION de ma foi chrétienne, que: "C’EST à l’église qu’on fait cela" !

127. "01" Avril 2024: *L'imberbe de "RODRIGUE ALAIN sienchie ngongang"*, 1 oncle utérin, dont j'ai déboursé près de "1 000 000 FRANCS (XAF)" pour ses (2 billets d'avions depuis 2004, et 2005, si mes souvenirs sont exacts); SIENCHIE, dont je ne connais pas le niveau réel d'éducation, aux vues de ses idées dégénératives envers mes droits humains, Supporte avec pour raison 1 protection des faits suivants provenant de sa sœur utérine aînée DADA (n.d.l.r.: HUISSIER de justice dorothée ndjatié shanda owona):

1. "LE DÉNOMMÉ ERIC CONSTANT foto tchuente ", 1 Camerounais d'origine, vivant aux USA; a souhaité me racheté 1 de mes appartements de YDE-AHALA pour 1 montant total d'environ "7 000 000 Francs (XAF)" en l'an 2021 !
2. "dada, sœur utérine de Rose sangnou, ma génitrice, À qui j'avais confié des documents de propriété m'appartenant par rachat à HONORABLE DATOUO théodore."; Voyage de Edéa, sans demander mon avis et / ou consentements; AUX FINS DE ressasser: JE NE VEUX PLUS QUE TU (n.d.l.r.: ROSE SANGNOU) redonne ces papiers à ton fils !!!

128. "03" AVRIL 2024: "MOMOKASH", service de prêt et d'emprunt de moneyMobile, NE serait plus opérationnel ces jours-ci!

129. "03" AVRIL 2024: "MARCEL théophile Mpondo Kouo", alors 1 ancien camarade du "collège Alfred Saker" de Douala; EST 1 cadre directeur en fonction au groupe MTN !

"MARCEL théophile Mpondo Kouo" était à cette époque (2000 allant à 2001) LE dernier en classe, avec des gens comme NGADJEU.

130. "03" AVRIL 2024: *"JEAN ngongang, paix à son âme de personne tribale, est devenue intéressant lorsqu'il essaye de voler MON âme par 1 prière devant moi sur 1 lieu sacré de sa concession de Bankepche-Bangou."*

"ÉRIC CONSTANT FOTSO TCHUENTE" m'avait remis 20 000XAF aux fins de me re-déplacer sur Douala pour récupérer mon titre foncier de ma propriété de YDE-AHALA-Simbock; JE souhaitais lui revendre 1 appartement pour 1 montant total de 7 000 000 FRANCS (XAF).

LA sœur de ma génitrice, ROSE SANGNOU; "me. (huissier de justice) SHANDA Ndjatié Dorothée Owona"; Descend de Edéa pour Douala, avant même que je ne prenne mon départ de YDE; ET INTIME 1 ordre de co-épouse à 'Rose-Sangnou': NE REMET PLUS DE TITRE FONCIER À XAVIER noundou.

131. "05" AVRIL 2024: LE fainéant de 'ME. PATRICE CABRAL shanda sanou' Est décédé en Inde. Son paternel de fainéant "SHANDA TONME jean claude" et sa maternelle de Fainéante "me. (huissier de justice) SHANDA Ndjatié Dorothée Owona" SONT CONVAINCUS qu'ils ne peuvent plus me faire passer de vis à trépas; Puisque JEOVAH-NISSI-AU-CIEL; aussi dit JÉSUS-DE-NAZARETH a intervenu en ma faveur.

132. "08" AVRIL 2024: "Prof. SIEMENI de happiness potential sarl" m'a donné 1 reliquat de 10 000 FRANCS XAF sur des 15 000 FRANCS XAF restants pour son inscription à YECEFOIQ.

133. "08" AVRIL 2024: "Honore Wouche", cousin germain de "Rose SANGNOU ma génitrice", est déjà assez régulier selon mes convenances gênantes chez "Rose SANGNOU" où je séjourne en ce moment à Douala.

J'eu croire qu'IL a déjà été à l'origine d'1 de mes séquestrations arbitraires à LAQUINTINIE: Rodrigue ALAIN son cousin germain et pourfendeur négatif de ma personne lui a asséné 1 dernière visite: "IL (xavier) faut LE RAMENER DANS 1 cabanon de fou; Il lit trop la BIBLE." !

134. "08" AVRIL 2024: L'université de Waterloo semble falsifier ses propres écrits aux fins de favoriser des candidats malheureux aux présidentielles au Cameroun !

Après que "Patrick Lam, PhD, PEng", m'eut enregistré 1 équivalence de mon "Engineering Doctoral Program" achevé en Décembre 2011, le 20; comme équivalent a 1 'PhD' (DOCTOR OF PHILOSOPHY) en sciences informatiques, Son collègue et camarades d'enfances à l'école: "DEREK RAYSIDE"; Renchérit et le modifie en 1 salissure pour des noirs au Canada: "Le terme ABD." !

C'est à croire que ces 'Canadiens' voulaient me faire assassiner sur tous des plans."

135. "09" AVRIL 2024: "TITO MLARKET SARL (<https://>)", QUI M'AVAIT PROPOSE FAIRE 1 COMMANDE DE MATÉRIELS INFORMATIQUES Pour mon centre de formation en Informatique (YECEFOIQ), n'arrive pas me les délivrer près 2 Semaines de patiente après 1 première livraison des choses non commandées.

"LE PASTEUR paul eya", en visite à Capelle Gloire de Christ de Deïdo, nous a rappelé et enseigné de ré-utiliser des contacts à la chapelle.

29 ÉVÈNEMENTS MARQUANTS (SUITE) – CPDM-RDPC-richard-MFEUGWANG assists ROSE SANGNOU to destroy my life

136. "11" AVRIL 2024: I have met along my road today, CPDM-RDPC cad—5 mayor Richard Mfeugwang; He is supposed to own a transit company named GoTRANS. !

THIS IDIOT SEEMS NOT TO RECOGNIZE THAT I KNOW HE IS BEHIND ALL MY TROUBLES HERE IN MY FAMILY since this trans-go-projector; cannot recognize that He is only educated up to the 4th YEAR of secondary education compared to a Doctor of Engineering of the ively-league-US-canada-WATERLOO !

137. "11" AVRIL 2024: FRANCE de macron, Essaye de rester chez toi avec tes embargos sur des matériaux informatiques américains à Douala; CANCRE !

138. "19" AVRIL 2024: Ce matin à la quincaillerie "Le débrouillard" derrière chez moi; sis carrefour "TITUS-EDZOA-JÉSUS-DE-NAZARETH" à Simbock, non loin de la chefferie de block;

2 indics, 1 portant "1 talkie-walkie" me suivent lorsque je vais re-négocier des prix de tringles pour rideaux.

139. "20" MAI 2024: 1 amant de Samatha, 1 des filles de Marie (sœur aînée de Léonard); 1 ancienne copine intime de Rose Sangnou ma génitrice; au quartier new-deïdo de Douala.

Cet indic de gendarmerie portant des lunettes médicales a pris des habitudes de quotidiennement me faire des grands yeux, lorsque je suis sur mes chemins en me rends rendant en visite matinale et / ou quotidienne chez la 2^{ème} femme de mon feu grand-papa maternel; LE regretté "Jean-NGONGANG":

En effet, ce monsieur me questionne de façon muette si bien que je fais des signes de croix chrétiennes aux fins de lui rétorquer que c'est 1 chrétien ne-de-nouveau de JEOVAH-NISSI-AU-CIEL qui s'en aille sans regarder au dedans de son domicile conjugal; Domicile qui n'a aucun portail en ce moment.

"PRINCE RAOUL NJONKEP", 1 jeune oncle maternel consanguin me paraît impliqué dans cette tentative de musellement politique par le biais de fausses accusations en PSY.

"IL me semble que l'imbécile d'agent de santé communautaire surnommé "MBAKO"; de la CUD (Communauté Urbaine de Douala)" que je rencontre déjà régulièrement assis de près où je rachète souvent à crédit de 200 FRANCS aux fins de ne pas vivre avec des pièces d'argent; Est entrain de faire des investigations sur ma vie privée.

140. "06" JUIN 2024: "Me. ANDRÉ", Huissier de justice, au SED, A demandé que si le soit-disant "Pasteur Landry" me recontacte par téléphone, Je lui signifie de me dire qu'est ce qu'il me veut de la part de "YVES LANDRY".

IL semblerait que APRES avoir été par effraction a mon domicile bâti par fonds propres de ma personnes à YDE-AHALA; Ma génitrice et concurrente en affaires "Rose sangnou", Essaye de me faire passer pour 1 imposteur auprès des autorités compétentes du CAMEROUN du régime R.D.P.C !

IL semblerait que "rose sangnou" couche maritalement avec "Grégoire owona" puisqu'elle m'avait dit avoir été dans ses résidences privées de son "village de Gomedzap dans le centre du CAMEROUN" il y'a de ceci environ 2 mois !

141. "11" JUIN 2024: j'étais rendre visite à 'Waah' ("KANYOU ANNE"); elle est ma grande-mère par ma mère. J'AI RENCONTRÉ 1 CERTAIN 'Albert ...', petit-frère de la voisine MA(MAN)-T(HÉRÈSE).

CE fou avec des cheveux de Psychologue.

ALBERT-idiot Est entré de façon s urprenante sans sonner ou toquer au portail lorsque je balayais ce sol.

ALBERT m'a dit être 1 docteur-PH.D. de l'université de Grenoble en France, spécialisé en médecine thérapeutique (JE ME DEMANDE PERSONNELLEMENT SI IL Y'A 1 science médicale Non thérapeutique !!!).

142. "12" JUIN 2024: 'Albert' avait dit être en mesure de me redonner 1 contact d'1 docteur enseignant d'informatique de l'université des montagnes de Banekane (BAGANGTE) a l'ouest du Cameroun; Je lui avais pourtant redemande plutôt le contact d'1 enseignant d'informatique de "TUY 1" (N.D.L.R.: l'UNIVERSITÉ DE YAOUNDÉ 1) parce que je suis résident a Yaoundé et non à Banakane.

LE fou 'Albert' que j'ai rencontre pour 1 première fois à Yaoundé, m'a force a faire 1 science de psychologie sociale avec lui, Avec 1 violence qui n'a plus de nom.

Et ceci après être entre sans sonner ou toquer au portail lorsque je balayais le sol.

LE salaud 'Albert ...' était sûrement là de la part de mon ennemi personne "Shanda tonme jean claud"e; Membre de l'AEUD, groupe qui promeut les idéaux néo-centristes 'bamiléké-grassfield' et qui dirige l'université des montagnes dont 'albert ...' est issue.

FIN DE CITATION.
Adieu WAAH.

PS: Je n'avais jamais su que c'est les "KEMMEGNI-antoine" qui était derrière mes ennuies de cabanon-pour-fous-force, PAR shanda.

"CLEMENTIN DJAMENI tayou", enseignant de l'université de Dschang ne m'avait pas dit être entrain de raconter des saletés sur moi.

"SHANDA TONME" a infesté toute mes familles, pour détruire ma réussite programmée sur terre.

143. "12" JUIN 2024: Je viens de détruire 1 appareil espion placé juste devant mon domicile.

J'ai constaté que cet appareil Entachait négativement et régulièrement le fonctionnement régulier et sans arrêt de mon téléviseur numérique, ainsi que de mes régulateurs de tension (AVR).

Je soupçonne "ANICET MFEUKEN", 1 voisin dont j'ignore la profession réelle; d'être l'auteur de ce "spam" sur 1 ligne placée juste au dessus de mon portail d'entrée à 'SIMBOCK': c'est lui qui m'avait dit connaître le propriétaire de cette ligne dont j'ignore l'utilisation depuis plus de 6 ans.

J'ai constaté la destruction de plus de 3 appareils électriques numériques:

1. "1 régulateur de tension (AVR) de 5 000 Watts".
2. "L'affichage d'1 neuf régulateur de tension Innova de 2 000 Watts de moins de 3 mois d'âge et racheté tout neuf à 25 000 FRANCS".
3. "1 refroidisseur d'air MIDEA" de plus de 80 000FRANCS !

144. "12" JUIN 2024:

Des mon arrivée du supermarché 'Casino', face "Cathédrale Catholique orthodoxe" ce matin, ICI à YDÉ;

2 individus sombres et obscurs occupent la devanture de mon domicile privé de "Ahala-SIMBOCK", DANS LE SOUCIS de reposer 1 appareil espion dans l'enceinte de mon domicile, Sur 1 câble dont j'ignore l'entreprise ou l'organisme gouvernemental propriétaire !

JE soupçonne 1 manœuvre qui vise à me faire incarcérer pour 1 cabanon pour fous de "l'hôpital JAMÔT de YDÉ", ORGANISÉE par "DATOUO et compagnie".

Surtout que j'ai été salué lorsque je me rendais chez mon client pilote "N.K (Nestor Kenfack) quincaillerie" pour le dépannage de son "ordinateur portable-LENOVO-thinkpad-T460"; Par la "brute de gendarmerie COLONEL KEMAJOU".

CE colonel ne me remarque plus puisque il m'avait réitéré de RESTER CHEZ MOI ET LUI AUSSI QU'IL RESTERAIT CHEZ LUI.

145. "14" JUIN 2024:

"Monsieur Onguéné", ancien directeur d'exploitation de S2TBED était entrain de remettre des ordures juste à l'entrée de mes domiciles sis AHALA-Simbock !

Ce goujat de tribalisme m'avait il y'a de ceci 2 ans environ tancé de retourner chez "DES BLANCS" vivre puisque lui, "ONGUÉNÉ, du centre et du littoral du Cameroun", n'appréciait pas ma façon et manière de voir la vie, BIEN QUE CETTE MANIÈRE ET FAÇON est conforme aux lois en vigueur au "CMR".

"ONGUÉNÉ" était arrivé à YDE juste 1 journée après mon arrivée de Douala, comme s'il était entrain de me faire suivre et espionner pour que je ne puisse pas être à mon aise et conforme aux lois de la république du CMR.

Ce même "Monsieur Onguéné", natif du centre et originaire du Littoral ("Nkongsamba"); m'a même fait la proposition 1 fois de me donner sa fille en mariage; bien que "Monsieur Onguéné" sache que je suis 1 célibataire sans enfants physiques éternellement comme mon père aux cioux "JEOVAH-NISSI, aussi dit JESUS-DE-NAZARETH".

"ONGUÉNÉ", fervent supporteur de "biya-franck", serait celui la qui détruit la vie des Camerounais retournés chez eux pour participer à l'amélioration de leurs conditions de vies villageoises OU BIEN !!!

JE soupçonne même le R.D.P.C d'avoir 1 équipe spéciale contre ma vie, aux vues des événements malheureux à mon rencontre ces 3 dernières années.

MENGUÉNÉ (Mvindi laure: n.d.l.r: psy chargée de détruire la vie des républicains dans le sud du cameroun.) et "ONGUÉNÉ" seraient sûrement des cousins du village contre L'INTELLIGENTSIA originaire de l'ouest Cameroun !!! En effet, "Onguéné" a fait 1 fois allusion à moi; "pr. dr. xavier noundou" n'étant pas saint mentalement, devant 1 parterre d'au moins 8 personnes originaires de tout rebord du CMR-natal-Et-VÉCU-DANS la misère intellectuelle.

146. "14" JUIN 2024:

1 caissière de "Casino supermarché" à YDE, a eu l'amabilité, de me rembourser avec 1 surplus de 200 FRANCS.

En effet, "je devrais retourner 1 ticket de 175 FRANCS de monnaie non rendue la dernière fois" que j'y ai fait des achats; JE ne retrouvais plus ce ticket de 175 FRANCS vieux de plus de 3 mois.

147. "20" Juin 2024:

"ONGUÉNÉ" a fait placer des plantes avec graines de mauvaises herbes exactement à l'entrée de mes appartements; Ou j'ai eu à pulvériser des herbicides il y'a de ceci 4 jours maintenant.

JE conclus que c'est la bande a FRANCK-biya; Puisque "M. ONGUÉNÉ" m'AVAIT dit être 1-"FRANCKISTE".

148. Le fainéant de la milice privée de "biya-mvondo-rdpc"; LUC-indic me fait suivre par des vaux-rien soit-disant que je suis entrain de marcher avec 1 SAINTÉ-BIBLE en main.

À croire que des indigènes ("Paulette AZEFA", celle qui a essayée de me faire assassiner en "Janvier 2024 par sa putain de fille "Aline AZEFA"; J'ignore qui sont ces "DSCHANG-bamilekes" qui vivent de vols et de raquettes à YDE.) n'ont rien à faire dans 1 monde extrêmement développé.

J'ai essuyé déjà 1 agression physique manquée au carrefour "Tradex-Barrière" par 1 membre de la même milice R.D.P.C.

J'empêcherais ainsi leurs opérations de satanisme en plein jour !!! ALLÉLUIA. Amen !!!

149. "21" Juin 2024: ""LE PROFESSEUR THOMAS DJOTIO NDIE" DE L'ÉCOLE POLYTECHNIQUE DE YAOUNDÉ VIENT DE ME RECOMMANDER, MOI, TITULAIRE D'1 DOCTORAT-PH.D. EN ÉLECTRICITÉ ET INFORMATIQUE DE L'UNIVERSITÉ DE WATERLOO EN ONTARIO AU CANADA DE POSTULER POUR 1 EMPLOI DE VACATAIRE AU SEIN DE CE FALLACIEUX ÉTABLISSEMENT DU FAIT DE LUI (E.N.S.P.Y), GÉRER PAR 1 NORMALIEN QUI N'AUROIT REÇU AUCUNE FORMATION D'INGÉNIERIE !

" AUSSI, JE LUI AI FAIT PART DE MA CONNAISSANCE DU PROFESSEUR CLÉMENTIN DJAMENI TAYOU DE L'UNIVERSITÉ DE DSCHANG. "

" AUSSI, COMMENT "CLÉMENTIN TAYOU DJAMENI" QUI M'AVAIT FAIT REPAYER 1 TICKET DE TRAIN À GRANDE VITESSE PARTANT DE BREMEN (ALLEMAGNE) POUR RENNES (FRANCE) VERS DES ANNÉES 2004, "SUR INVITATION DU PROFESSEUR GILBERT TCHINDO", NE M'A PLUS JAMAIS RECONTACTÉ MALGRÉ MES MULTIPLES ACTIONS DANS CE SENS. "

150. "22" Juin 2024: LE pousseur "ANDERSON kensop" est venu chez moi pour quémander du sable fin aux fins de crépir 1 véranda dans son bidon ville.

1 escouade de gendarmes et policiers, armés jusqu'aux dents est arrivée au carrefour "derrière-Savonnerie-nosa" hier sur plusieurs "véhicules 4x4".

L'INDIC de gendarmerie à moto rouge et de la tribu boulou' et très clair de teint dont j'ignore des identifications avait déjà été aimable en me transportant sur "sa moto lorsque je patientais pour Carrefour-Tradex-AHALA".

151. "23" Juin 2024: "STEEVE azefa" ÉTAIT ACCOMPAGNÉ D'1 PETIT GARNEMENT CET APRÈS-MIDI lorsque je les ai observé mettre quelques pierres et morceaux de bois devant mon domicile de YDE-ahala.

JE M'ÉTONNE de constater ce 29 JUIN 2024 QUE depuis que j'ai attrapé en flagrant délit de salissure ONGUÉNE de S2TBED; c'est maintenant les AZEFA-satan-dschang-bamilekes-voyou Q'il (S2TBED) envoie faire des saletés au devant de mes routes principales menant à mes appartements QU'ILS (VOYOU-BIYA-CONSORT-ouest-kemajou) Convoient !

JE Commence à penser que mon sous-développement actuel environnemental viendrait de l'italien MARCO-sale-type-dario-Siemens qui les pilote.

1 policier du 19 ème arrondissement (AHALA), avec 1 crâne rasé est très récurrent sur ma route.

Cet idiot était 1 fois ici il y'a de ceci environ 3 mois avec 1 indic qui a essayé (Sans la présence de ce flic véreux), de pénétrer sur 1 terrain de notre concession NOUNDOU; Bien qu'elle soit clôturée de 3 cotés;

"TCHABAT BASILE le géomètre de mes terrains NOUNDOU" avait dit que personne ne pourrait s'installer ou pénétrer dans 1 terrain clôturé à au moins 3 cotés selon des lois camerounaise.

"KEMAJOU, le colonel de gendarmerie a essayé de m'interpeller cet après-midi lorsque je circulai au devant de ses domiciles sur 1 route ouverte au public."

152. "01" Juillet 2024: "Rose sangnou la chienne de génitrice de ma personne" est entrée par effraction chez moi à YDE-Ahala avec 1 énergomène sale comme les déchets du caca."

"S2TBED présidentielle dérange des jeunes camerounais dans leurs entreprises de nouvelles technologies avec des senteurs de vieux bois frauduleux."

"L'idiot de S2TBED-moise-chauffeur-caterpillar ose encore me suivre sur 1 piste que j'ai décidé d'emprunter pour ne plus aller dans le sens de dégueneurs travailleurs de S2TBED-biya."

153. "01" Juillet 2024: "LE MAÇON frauduleux et cambrioleur de 'HADASSAH' et consort n'a plus réessayé de me rappeler pour me faire incarcérer dans 1 cabanon de fous (torture)."

154. "02" Juillet 2024: ""PAULETTE azefa" a apparemment rachetée des 6 sacs de ciments de mon chantier par l'intermédiaire de l'éraflure de psy JOEL."

""PAULETTE azefa" Est apparemment juste ici chez mon voisinage pour faire des raccommodages des déchets des voisins aux fins de subvenir aux besoins de ses enfants! En effet, "PAULETTE" azefa ne mène aucune activité lucrative en dehors du vol de biens des voisins pour vivre i'

""PAULETTE azefa" A fait détruire le mur d'1 concession "NOUNDOU-batchieu" par 1 certain "PIERRE foka" par 1 intrusion des bouts de bois sur le mur mitoyen appartenant à "DEMO Noundou" i'

155. "03" Juillet 2024: "Le commissaire de gente féminine du commissariat de Ahala m'a fait savoir qu'elle devait faire comprendre à 6 79 73 13 62 (1 certain pasteur-landry de ne plus me rappeler !)"
156. "04" Juillet 2024: "Mon prêt initial de "25 000 Francs" chez "MoMo-kash" ne fait que s'augmenter sans que le délai du "14 Juillet 2024" ne soit arrivé comme fin du délai de remboursement avec force."
- "Mon manquant final de "1 237 Francs" se rallonge à près de "5 000 *textF*" juste après avoir reversé "1 300 F" après 1 conversation de présentation du service "MoMo-kash" à "Guttemberg TCHAMAHA NTAATA", 1 cousin germain paternel."
157. "05" Juillet 2024: "Ma voisine sale comme la peste "Mani Théodore Datouo Kemajou Gendarmerie, Commissariat du 19^{ème} de Ahala" (Paulette azefa); a recommencé à positionner des herbes moisies sur les rebords de la route publique aux fins de pratique de sorcelleries "léviathan.""
- "Cette sorcière de l'ouest fait des remous partout où j'entre et je sors pour essayer de démontrer 1 affinité avec moi; AUX fins de sorcellerie villageoises de Dschang."
158. "06" Juillet 2024: "CHRISTELLE kamaha", jeune employée de 22 ans de "QUINCAILLERIE N.K." est apparemment du secrétariat d'état à la défense (SED)."
159. LUNDI "08" Juillet 2024: "Je viens de retrouver des bretelles à la présidence de la république du cameroon au sujet de mes appartements dans locataires depuis plus de 10 mois, Par son excellence oncle de moi Ministre plénipotentiaire, et assassin de Théo-NOUMBISSI."
160. Mardi "09" Juillet 2024: "Rose sangnou-génitrice-de-moi, m'a redemandée d'aller à la "Poissonnerie Plus", du "fondateur NESTOR kenfack"; Dont je suis 1 fournisseur en progiciel de gestion intégré **YErith-ERP-9.0-platinum**; D'aller y faire des achats d'1 montant d'environ "10 000 Francs" !" "
- "**YErith-ERP-9.0-platinum** A été agréé cette semaine à Quincaillerie n.k, Puisque aucun incident n'est survenue ni sur l'ordinateur d'occasion de "35 000 Francs" acheté par Startup-Yerith R&D; Ni sur le progiciel de gestion intégré (PGI-ERP) en soi; NATURELLEMENT des désirs portant sur 1 plus simple ré-utilisation du PGI-ERP ont été émis par LE FONDATEUR N.K !" "
- "J'ai naturellement émis le souhait de notre entreprise de recevoir 1 minimum de "10 000 Francs" pour la réactualisation de l'ERP-PGI puisque le prix de rachat que Nestor-kenfack avait reverse a été revu drastiquement à la baisse, passant de "130 000 Francs" / utilisateur à "20 000 Francs" / utilisateur."
- "Laurent tchandeu-chien, Ministre plénipotentiaire "R.D.P.C-ayolo-mvondo-cuon"; est entrain de vouloir détruire mes entreprises entrepreneuriales en s'introduisant partout où j'entre pour affaires ou pas."
- "LANDRY-yves-etoga-galax Est 1 conjoint de tchandeu."
161. Mardi "09" Juillet 2024: "JEAN-Mouabeb, DE regretté mémoire à l'hôtel TOU-NGOU de yaoundé; Où il était envoyé par "Ministre-plénipotentiaire-Laurent-tchandeu" me 'désocer' (sodomiser les anus et fesses). Pour "30 000 Francs" venant de L'oncle-yves-galax-landry-etoga-TCHANDEU !" "
- "TEUNTCHOU ISAAC essaye maintenant de faire entrer 1 peu d'argent dans ma bâtisse de YDÉ par l'entremise de ma sœur cadette ~~ennemi~~ utérine "Ingrid Teuntchou Noumeni (née Ingrid TCHITCHUI Noubbissi)" !" "
- "L'objectif visé est de me faire sodomiser chez moi sur tous les plans !" "
162. Mardi "10" Juillet 2024: 1 certain "pasteur landry etoga galax" est entré par effraction à mon domicile de YDÉ-ahala, en FORÇENANT ma génitrice Rose SANGNOU avec 1 arme-à-feu.
- J'AI constaté immédiatement des lézards venimeux dans ma concession.
- JE soupçonne 1 beau-frère de Rose SANGNOU, en l'occurrence le "SED-secretaire-detat-a-la-defense"; "Dr. WOLFGANG-fernand-junior-Owona".
- "Ce fainéant, dont l'idiot DE SON BEAU-FRÈRE patrice cabral shanda-sanou de regretté mémoire avait dit être extrêmement violent en soi."
- CE rdpc-ciste de "Dr. WOLFGANG-fernand-junior-Owona"; N'a pas encore digéré avoir essayé de m'assassiner en Février 2021 chez moi à la cité-des-palmiers.
- FEU-JOSEPH-fainéant-owona était déjà entrain d'essayer de me faire empoisonner par son fils fainéant de matthias-owona-nguini LORS DE MON SÉJOUR DE VACANCES ici a YDE en l'an 2011; Juste après que j'ai passé mon "Doctor-Ph.D. en Électricité et Informatique de l'université de waterloo".
- J'étais alors accompagné principalement du fainéant du nom de Jules-Nteta-NOUNDOU; frère consanguin a mon feu géniteur et papa: IDIOT-THEO-NOUMBISSI.
163. Mardi "10" Juillet 2024: BIYA-avorton; a essayé de me faire comprendre qu'il est 1 seigneur de guerre et non 1 civil par des gangs qui sont entrés de force dans 1 concession "batchieu-NOUNDOU" dont je suis supposé veiller sur, de part mon voisinage le plus proche par rapport à l'incestueux avocat DE "batoula-moise-Yamkam-Tebiwo".

164. *Mercredi "17" Juillet 2024*: Je suis certains que maboma-juge-idiot-chien-de-galax-sed n'était plus très satisfait de ce qu'il originaire de l'OUEST du CMR Soit plus indiquée à la présidence de la république que Esso-chien-de—TCHANDEU-laurent !

165. *Mercredi "17" Juillet 2024*: "YVES landry etoga-salaud" a renvoyé dans la nuit 1 idiot pour détruire le tuyau connectant ma pompe à eau à mon cubitainer !

"J'ai été chez GUTTEMBERG taata aujourd'hui matin et j'ai vu que sa belle-mère était entrain de pratiquer 1 sorcellerie car Elle avait de l'encens dans 1 petite marmite au milieu du grand salon pour personnes en visite" !

166. *Mercredi "18" Juillet 2024*: "L'idiote à punk venant de la part YVES-LANDRY-etoga a pensé me faire ombrage en ce qui concerne mes travaux de recherche sur 1 progiciel de gestion intégré en web !

167. *Dimanche "21" Juillet 2024*: 1 brigand vêtu de tout noir dans 1 véhicule banalisé de marque "Toyota corolla" s'arrête en pleine chaussée, sur le rebord lorsque je traverse 1 route jouxtant "l'entrée principale du général d'armée camerounaise BOUBA" ...!

168. *JEUDI "25" Juillet 2024*: "Datouo, KEMAJOU" est allé faire des faux documents disant que je suis 1 schizophrène, Puisque il ne sait même plus où je vis.

"Rose SANGNOU" ma génitrice m'avait déjà redemandée de ne plus entretenir des conversations et / ou liens amicaux avec cet individu d'1 violence terrible Puisque ancien militaire de rang à l'Ouest du Cameroun du COMMANDEMENT OPÉRATIONNEL. ELLE s'était plaint de ses appels téléphoniques incessant sur sa ligne MTN !

"Rose SANGNOU" a fait des efforts pour me fournir "5 000 Francs" ce jour-ci.

169. *Lundi "29" Juillet 2024*: "JE m'engage à déverrouiller en apprentissage la jeune et insouciant "Christelle AKAMBA", nouvelle employée de l'ancien client Quincaillerie N.K." !

170. *Lundi "12" Août 2024*: "L'énergumène de junior-bankoui; 1 petit type très court et très nerveux, Qui parraine le gang de malfaiteurs (malfrats) fondé par "PAULETTE azefa; est aux arrêts par mes paroles ! " !

AZEFA a des soutiens "vietkong venant de Datouo par FRANCK-biya-s2tbed". CE gang sévit dans les zones de barrières-simbock-ahala.

CETTE bande appartenant au gendarmes BAMKOUÏ-datouo-KEMAJOU est au cerveau d'1 réseau de vols aggravés par menaces sur personnes physiques que j'ai éprouvé par la tentative de vente d'1 frigidaire personnel de chambre au "Montant de "50 000 Francs"" à 1 certain "Georges-chien-ANDERSON-njougep".

EN prélude à cette tentative de vols aggravés, ROSE-sangnou-génitrice; m'avertissait d'1 petit dérangement qu'elle peut faire par sa sœur de bankepche-bangou, en l'occurrence la renommée "NJOUGEP-malfrat-peg"; En effet, elle est allée se renseigner sur mes transactions financières aux fins d'opposer 1 rentrée d'argent dans mes poches !

Naturellement tout ceci est sous-organisé par "LE PROFESSEUR jean-claude-SALAUD-tonme" de "MENJIE-bangou".

TOUS ces signalements sont faits dans le but d'entraver la MARCHÉ DE LA JUSTICE dans le cadre de l'information judiciaire sur la tentative d'assassinat que j'ai subit en FÉVRIER 2021 dans la nuit aux alentours de 23 : 30 à mon domicile privé au quartier BÉEDI-DLA.

171. *Lundi "12" Août 2024*: " 1 petit bandit de capitaine-mbida de la "DSP-Division-de-la-sécurité-présidentielle vêtu de bleu tricot+jean" me regarde menaçant du visage lorsque je me déplace sur le chemin-route menant à mon domicile pas très loin de cette maudite maison des hommes avec des armes à feu en milieu de ville-civile.

JE soupçonne déjà mvondo-capitaine-emanè-nkoa-pierre-marcelin; AUSSI "rattacher à manawabe par le BIR-bataillon-d'intervention-rapide;" de rechercher à me faire assassiner PUISQUE dans mes rédactions précédentes et mon curriculum vitae ci-dessus en Anglais, j'ai déjà raconté tout ce qu'il m'a fait subir comme sévices racistes-tribales-boulu de CHIENS-nauséabonds !!

"SA sœur cadette mado" qui travaille chez etoga, m'a même déjà fait agressé par 1 homme d'1 taille de plus de 2 mètres 30 centimètres.

"SA sœur cadette mado" EST la concubine de capitaine-mbida; ET 1 gendarme en service au SED-sécrétariat-d'état-à-la-défense.

TEACHING STATEMENT

1. [Teaching] and [Advising] is my priority at time since in Cameroon Software inception is very long and tedious because Cameroon authorities, Especially SED.
2. My 1st best teacher as of now was "prof. dr. dr. ULRICH KRAUSE, at the University of Bremen, Bremen, Germany."; My 2nd best teacher as of now was "[Prof. Dr.-Ing. Patrick] Lam, at the [University of Waterloo, ONTARIO, CANADA]".
3. I endeavor to teach what makes my research vivid "(RM: Program Software Runtime Monitoring)" and useful for young and adult people around the world; I can teach almost everything in Computer Sciences, except Computer Electronics, Computer Graphics, and Imaging.

RESEARCH GOALS IN COMPUTER SOFTWARE ENGINEERING [[0]]

1. Create and produce a computer device that could be embedded into other computer devices and that will communicate with them through serial ports and / or USB interfaces SO to provide YRI_QVGE program verification to USER FINISHED products on-the-fly, AS an add-on ENGINEERED industrial product: ALSO this product could qualify for an ISO-related certification for avionics, railways, automotive, and FDA—ISO certifications for Healthcare: YRI-QVGE-PC-TABLET.
2. Create a very cheap and pragmatic Enterprise Resource Planing (ERP) software: (e.g. 🚀 YERITH-ERP-9.0-PLATINUM[1]).
3. Create and render software analysis, debugging, and testing tools as easy as possible to use, with only finite automata theory background; and / or Typestate-API usage rule checking typestate-API knowledge (e.g.: 🚀 YERITH-SAINT[1?], 🚀 SDMM[?d], 🚀 YRI_QVGE[12.12], VALKYRIE-VALGRIND[20.20]).
4. Position "static dataflow analysis research and techniques" as similar as runtime verification (i.e.: circle 4 in Figure 6; e.g.: Ph.D. THESIS[1a], 🚀 YERITH-SAINT[1?]).
5. Automatic generation of web HTML pages from a Domain Specific Language (DSL) that is more approachable for a high level programming language perspective (i.e: similar to C++ / Java): YERITH-WEB-PAGES-GENERATOR-9.0[21.21].

1.1 National Identification

1. A system allowing any of the 3 documents cited below as valid official identification for any official or unofficial activity shall be implemented in Central CEMAC:

1. *Valid NATIONAL IDENTITY CARD*
2. *Valid PASSPORT CEMAC—CEDEAO*
3. *Valid bank account id.*
4. *ALL PERSONS working with weapons or force by law have to be identified with names on badge wherever they are outside of their working places.*

A bank account id IS in effect linked to a Valid national identity card.

""MOISE YAMKAM TEBIWO (Mtn-network: 6 75 66 24 87)" for instance, a cousin paternal "Frecnh—germain" of mine, Could afford for a law school with a bank account that wasn't really linked with his by birth official IDENTITY documents !"

I could notify this since the law school of lagos he attended didn't issue for a certificate with exact same official birth identity names as written thereof.

THIS COUSIN OF MINE IS A CRIMINAL in all systems of justice worldwide.

2. 1 system, computerized, and / or, a text registry book shall be created to register any Cameroon citizen with no need for any citizen to walk around with a national identity card.
3. There are some drawbacks as for instance mentioned on the website of [FREE SOFTWARE FOUNDATION](#), in the United States of America (USA), to have a centralized registration system for citizen or People living inside a country !
4. *"A gervais nana (gersatelgmail.com)" I know somewhere in YDE, seems to be connected as a free-mason to ""MOISE YAMKAM TEBIWO"" .*
"GERVAIS NANA" must be investigated since I know "TEBIWO-YAMKAM-MOISE" Is a murderer in all systems.
5. I remember having an issue with a screen of a laptop I bought to a place (GERSATEL) owned by *"Gervais NANA"* ; after 1 day, A blur appeared on the screen and I wasn't reimbursed.
6. *It seems "WELADJI" a burglar that I went with at Gendarmerie D'AKWA-SUD in 2023 because he apparently tried to steal 20, 000 FRANCS as a non used money for a purchase item that I ordered from his shop at DLA-douala-bar;*
"WELADJI" WAS NOW in position in another shop where I started buying stuff for my customers. "Moube Jean" is working just at opposite side of this computer hardware shop in Douala: "COLLEGE INTEG".
7. *"TEUNTCHOU ISSAC"* , a father in law of my uterine sister *"Ingrid Teuntchou Noumeni (geboren (born): TCHITCHUI NOUMBISSI ingrid)"* is trying to hijack from my propriety all my real-estate.
8. Double citizenship with following countries that harasses honest Cameroonian like myself shalln't be allowed:
 - Canada
 - United States of America (USA)
 - Germany
 - Any country where a gay-homosexual-marriage is pronounced in a so-called *"JESUS-OF-NAZARETH"* congregation: I.E: such a country shall be considered a scam *"(LEVITICUS 20 : 12 – 13, and Romans 3 : 26 – 28) !"*
9. *"NESTOR KENFACK, VALERIE KENFACK"* shalln't be harassed since they support very well people like myself by promoting computer services of *"YERITH R&D "*.

"N.K. quincaille" DOESN'T have any name poster on top of his offices-premises anymore because of them trying not to be harassed because of my personal opinions in CHRISTIAN-faith.

2.2 JUSTICE and PAST-MEMORIES to heal in Cameroon

1. [Dr. PAUL Siméon nomo, from MONATÉLÉ came to my private house in YDE-AAHALA, to arrest illegally without any notification or whatsoever; using a firefighter truck and 3 firefighter to molest myself in front of several neighbors so to discredit my life as a peaceful citizen of Cameroon.]
HE seems this criminal assassin from BIYA private places is now living in Maryland, USA; since I went back to Canada to resign from CANADIAN-shit citizenship.

Another cousin of mine so called "[Rodrigue Alain Sienchie]", told me that 1 day armed soldiers with uniforms came to arrest him in the house of his parents, sent by "[Dorothée SHANDA NDJATIE OWONA]"; THEN went to sodomized him at LAQUINTINIE HOSPITAL.

"SO I SUSPECT this criminal LAURENT TCHANDEU DJATIE DOROTHÉE OWONA to have sent to my private house in Yaounde in 2017 this 'so called baptist church pastor Dr. SIMEON NOMO, PSY.D.'."
2. "Eyoum Chritian" idiot's immunity of justice because he is a psychiatrist Must be investigated !
3. 'S2TBED', finally repairs our main common road: They destroyed a previous road with LATERITE so much that IT must be fixed with concrete !
4. 'S2TBED', biya's illegal industrial forestry enterprise society, an illegal neighbor of "Immeuble YERITH" of mine, IS constantly disrupting electrical energy current supply.
5. ALL my real estate in Douala (3 3-bedrooms apartments) need to be released by a genitor of mine THAT is not anymore wanted in my life because of all atrocities SHE CONSTANTLY commits with SHANDA GREGROIRE OWONA Wolfgang TCHAMOU angela ndjatie. !!!

SISTER'S of Rose Sangnou my genitor, Dorothée Shanda Ndjatie, IS CONSTANTLY harassing her to take me to any psychiatric institute by force, Even though there is already a criminal investigation against her and Rose Sangnou at DLA-ndokoti justice palace; DOROTHÉE is a criminal PERSON !
6. 'MADO's brother CAPTAIN pierre marcellin emana nkoa' must reimburse back my 210 000 FRANCS since SEMIL (Sécurité Militaire) told me in 2016 THAT THEY CANNOT convoke them SINCE receipts were signed by his cousin "JEAN-DE-DIEU onana".

"MY NEIGHBOR CARINE LELE NJOUGEPE TCHANA", seems to be here because of them, so to deteriorate the quality of life of legal people living here, and promote their own-beings through propaganda LIKE 'it seems THE colonel living THERE above of the hill IS the one that FIXED the road leading to your compound !
7. JUSTICE FOR BREAKING AND torturing myself ('Xavier Noundou (Pr. Prof. Dr.-Ing.)') in front of at least 17 people in front of my inherited personal domicile in Douala-Béedi-Cite-des-Palmiers MUST be finalized before Cameroon election 2025.
8. 'JUSTICE president and certain types of judges must be apolitical: I.e.: THEY CANNOT BELONG TO A POLITICAL PARTY !
9. MARTINEZ ZOGO assassin AMOUGOU BELINGA justice criminal court must be finished before Cameroon election 2025.
10. PEOPLE responsible for the drama of Edea Railway Failure in .. MUST be judged in a civil criminal court before Cameroon election 2025.
11. MILITARY SOLDIERS that killed about "7 women and their teddies in north Cameroon must be judged."
12. "EDGARD ALAIN MEBE NGO'O" criminal procedure in military justice courts must be achieved before Cameroon election 2025.
13. Military Soldier must have their own facilities and amenities in cities, and not mixed intermingle anymore with civilians, AS THIS IS CURRENTLY THE CASE when they DON'T wear military attire uniform !
In fact, MILITARY SOLDIERS or Alike don't have a same behavior justice as civilians; Not talking about habits and gesture.
14. Bepanda drama because of 'general MPAY' must be re-covered in a justice palace court of civilians and / or military justice !

II - PRESIDENTIAL CANDIDACY IDEAS IN CAMEROON ELECTION 2024

3.3 JUSTICE and DIVINITIES

1. *Destruction of all secret services units in Cameroon !!*
1. "OUATTARA people shall not anymore be opponent to christian people here in Cameroon as it is the case with Shanda-TONME jean claude" presently.

2. People like SHANDA OWONA harass other people because they feel as safest as possible because of some kind of impunity based on their appurtenance to DGRE special unit forces ("JEAN CLAUDE shanda tonme and spouse" weren't for instance infringed in DLA-NDOKOTI palace for breaking into my compound, closed at night, with around 9 burglars; So called Technicians of "PSY-laquintinie"; around 23 : 30 at night while I was sleeping IN february 2021 in DOUALA).

3. Politicians shall be reduced to be people applying criminal and civil laws instead of people trying to make their own ideas come through via ENTERING private life of people like "Shanda TONME jean claude" has done in the past 30 alike years with my personal family and life ('Family NOUNDOU michel', and 'Family JEAN NGONGANG') !

4. 'SEMIL' and special alike units of Cameroonian army shall be dismantled because of reported proved or not really ATROCITY facts.

5. 'SEMIL', 'DGRE', 'SED', etc.; all former people wearing weapons shall be displaced into military caserns so to avoid mixing MILITARY alike people with civilians !

6. IMPUNITY of all people wearing weapon must cease with tribunal applications of criminal laws.
2. *Create an electoral public and common website for all information, and / or official application documents for all elections in Cameroon !!*
3. *Create a website for publication of all laws in Cameroon; including presidential decrees, acts, and / or acts, and so on ...!*
4. *Reforming judicial system with computer software digitization so to PROMOTE equity and justice by laws !*
5. *EACH CITIZEN or person living in Cameroon SHALL officially declare its lifestyle philosophy and / or religion at a 'Chefferie De Block' when moving inside that area of the city !*

a. This enables to solve issues based on this declaration in a fairly manner, according to a new reformed judicial criminal law system !
6. *PROHIBIT any type of religious or associations that don't have well openly presented and written codes of laws, Abiding to CAMEROON criminal laws !*

4.4 ACADEMY and Technology Research Institutions

1. Promote creation of research centers for solving problems located specifically in central west Africa:

1. Another source of revenue for CMR

2. Improving life conditions for CMR and neighboring friend countries.
2. Enable a financing WITH non reimbursement option for doctors in science and / or engineering.

5.5 JUSTICE and DIVINITIES

 - People like SHANDA OWONA harass other people because they feel as safest as possible because of some kind of impunity based on their appurtenance to DGRE special unit forces ("JEAN CLAUDE shanda tonme and spouse" weren't for instance infringed in DLA-NDOKOTI palace for breaking into my compound, closed at night, with around 9 burglars; So called Technicians of "PSY-laquintinie"; around 23 : 30 at night while I was sleeping IN february 2021 in DOUALA).
 - Politicians shall be reduced to be people applying criminal and civil laws instead of people trying to make their own ideas come through via ENTERING private life of people like "Shanda TONME jean claude" has done in the past 30 alike years with my personal family and life ('Family NOUNDOU michel', and 'Family JEAN NGONGANG') !
 - 'SEMIL' and special alike units of Cameroonian army shall be dismantled because of reported proved or not really ATROCITY facts.
 - 'SEMIL', 'DGRE', 'SED', etc.; all former people wearing weapons shall be displaced into military caserns so to avoid mixing MILITARY alike people with civilians !
 - IMPUNITY of all people wearing weapon must cease with tribunal applications of criminal laws.
- Create an electoral public and common website for all information, and / or official application documents for all elections in Cameroon !!*
- Create a website for publication of all laws in Cameroon; including presidential decrees, acts, and / or acts, and so on ...!*
- Reforming judicial system with computer software digitization so to PROMOTE equity and justice by laws !*
- EACH CITIZEN or person living in Cameroon SHALL officially declare its lifestyle philosophy and / or religion at a 'Chefferie De Block' when moving inside that area of the city !*
 - This enables to solve issues based on this declaration in a fairly manner, according to a new reformed judicial criminal law system !
- PROHIBIT any type of religious or associations that don't have well openly presented and written codes of laws, Abiding to CAMEROON criminal laws !*

6.6 ACADEMY and Technology Research Institutions

- Promote creation of research centers for solving problems located specifically in central west Africa:
 - Another source of revenue for CMR
 - Improving life conditions for CMR and neighboring friend countries.
- Enable a financing WITH non reimbursement option for doctors in science and / or engineering.

7.7TRANSPORTATION and CITIES transportation

1. *Reduce airplane travel costs between cities in Cameroon.*
INSTANCES:
a. {DLA \longrightarrow YDE} with one way at 12 000 FRANCS.
b. {YDE \longrightarrow BAFOUSSAM} with one way at 18 000 FRANCS.
c. Etc..

8.8Technology And Development

1. *Schooling shall be created and managed to be in harmony with Religious, and / or Philosophy lifestyle of parents that intend to have children in a school; BOTH primary and secondary.*

UNIVERSITIES could mix students of all horizons: so the student and leaders of next Coming Cameroon could learn how to live harmoniously.
2. *State schools for civil servants shall be banned in favor of UNIVERSITY education and of an additional training on the job when hired !*
3. *Universities shall be autonomous and not depend anymore of the PRESIDENCY OF THE REPUBLIC*
4. *Create an industry for solar electrical energy with cars and buses as consumers in a lapse of time of 12 years starting 2026.*
5. *Assemble DIGITAL computers in Cameroon in less than 12 years of presidency.*

9.9MARRIAGE and INTER-PERSONAL sexual corporal Relationship

1. *PROHIBIT sexual actions IN OUTDOOR by laws.*
2. *REMOVE TRADITIONAL SYSTEM of justice because of its unfairness; Based on WOMAN precedence in power:*
a. *SINCE Christians don't need to marry to a woman or any gender, as described in 1 CORINTHIANS 7 : 38 – 39 !*
b. *SINCE people could stay without marriage, In Christianity, marriage is THE EXCEPTION, But not a sin;*
c. *Any person that is not married and that is a born-again Christian cannot be managed by a married person ! THIS is because A MARRIED person couldn't qualify to understand a life at a certain level as He is living constantly with another gender !*
d. *People that have marriage in traditional system normally cannot undergo a civil marriage in a christian church (I.E: TRADITIONAL system allows for Impudicity, Which is prohibited in Christianity !).*
e. *Born-Again Christians don't marry at all in any type of marriage !*
f. *"SHANDA-TONME jean claude's first and last son": Late (justice of attorney) "Me. Shanda Sanou Cabral Patrice" was apparently killed brutally since his body was missing from people assisting SHANDA's family for obituaries.*
g. *"HIS (jean-claude shanda-tonme) OBITUARIES in next coming years must not be public since He hasn't been a good citizen for at least hundreds of young cameroonian" that I have hear about for the last 12 years since I started by immigration process back to my homeland country Cameroon of C.P.D.M–R.D.P.C !*
3. *Automatic Splitting OF INHERITANCE after parental death between children:* Because there are a lot of troubles to leave this task to a family with not enough money for paper and bureaucracy work at notary justice palaces !
4. *LEGALIZE homosexual UNION.*
a. *People in this union cannot have children adopted from another non-homosexual union at ALL; AND VICE–VERSA for couple married in non-homosexual life style !*

10.10MUNICIPALITY Reform (AND WASTE and DISPOSAL of garbage)

1. *chefferie de block: This administrative territorial unit is based on traditional tribal lineage !* THIS SHALL BE ENDED AS EACH CITIZEN is subject to the same civil law:
1. currently, a 'chefferie de block' is based on common and traditional law. Since common law has precedence over tribal traditional law, A CITIZEN living must be subject only to COMMON CIVIL LAW where he is living, OR NOT.
2. *There shall be created AN INDUSTRY for recycling and displacement of waste–garbage USING ecologic burning container:* Each "chefferie de block" shall have its own burning destroying waste–garbage ecologic container.
3. *There shall be at least 1 municipal playing and recreational area of at least 400 m² in each city quarter ("quartier").*
4. *There shall be at least 1 municipal library in each city quarter ("quartier").*

RESEARCH AND TEACHING OBJECTIVES 6

21.21 WEB PAGES HTML and others Generation with YERITH-WEB-PAGES-GENERATOR-9.0**21.21.1 Motivation**

Figure 1: A SOFTWARE architecture overview of YERITH-WEB-PAGES-GENERATOR-9.0
Yerith-web-pages-generator-9.0-DSL script files

YERITH-WEB-PAGES-GENERATOR-9.0 is a novel project that constitutes the base for YERITH-ERP-PGI-9.0-WEB-SYSTEM that endeavors to create web sites solutions for entrepreneurial organizations that use YERITH-ERP-9.0-PLATINUM without much additional programming of web interfaces and / or interactions; AT such, web sites solutions for entrepreneurial organizations will emerge as easy as pressing a button.

YERITH-WEB-DSL-9.0 is a Domain Specific Language to describe WEB SITES programmatically so to automatically generate STATIC DYNAMIC WEB SITES BASED ON HTML (HYPERTEXT MARKUP LANGUAGE) AND CSS (Cascading Style Sheets) language constructs.

Numerous companies in Cameroon might evaluate this new research software system product to simplify and speed up their software development process:

1. "Dr.-Ing. PAUL dayang (2013, University of Bremen)"; currently employed at the University of Ngaoundere in Far Nord of Cameroon.

This researcher and lecturer, employed by the University of Ngaoundere, has never replied to my long time email as an alumni of the prestigious University of Bremen in Germany where I graduated with a "Diplom-Informatiker degree 2 years before him !"

I could see he started a web graphical system html-based to promote online afore-provisional shopping of food provisions in Africa for its dissertation as a "Doctor of Engineering". I was sad not to see this project emerge as a commercial start-up here in Cameroon where there is only "cm.coinafrique.com" (<https://cm.coinafrique.com>) that I deem as a serious competitor in this era of work.

I believe the programming abstraction I will provide for "DAYANG and ROEDIGER (<https://www.informatik.uni-bremen.de/~roediger>) work" would help them both in "Ngaoundere" and in "Bremen" to promote Free and Open Source web shopping for Africa where even a clean market is not existing in Main city Yaounde !

2. "Dr. (B.Sc.) Claudel Noubissi" (Start-Up)
3. "Ing. (B.Sc.) Arthur Zang" (Start-Up)
4. "Dr.-Ing. (Ph.D.) Ibrahim Nguena Moukouop" (Start-Up)
5. "Dr.-Ing. (Ph.D.) Thomas Djotio Ndie" (Start-Up)
6. "Dr.-Ing. (Ph.D.) Fabrice Wilfried Siemeni" (Start-Up Happiness Potential S.A.R.L):

Fabrice WILFRIED siemeni could generate sample website pages with no programming knowledge at all.

7. "Santa Lucia – AHALA", Yaounde
8. etc.

21.21.2 RELATED WORK at YERITH R&D; Software System Architecture of ERP Systems

"Our paper not for publication in a conference paper,  [SOFTWARE SYSTEM ARCHITECTURE OF YERITH-ERP-3.0\[10\]](https://archive.org/download/yerith-erp-3-0-software-system-architecture_20221230/YERITH-ERP-3-0-SOFTWARE-SYSTEM-ARCHITECTURE.pdf) : (https://archive.org/download/yerith-erp-3-0-software-system-architecture_20221230/YERITH-ERP-3-0-SOFTWARE-SYSTEM-ARCHITECTURE.pdf); reveals common web system architecture patterns and structure, INCLUDING ( [CYBER-SECURITY\[1?\]](#)) software system security vulnerability analysis; As observed these last 10 years at least from "August 18, 2024".

"We plan at mid-term to be able to generate "Software architecture proof testing-programs", both for GUI-interfaces (thick-client), and Web-interfaces (thin-client); automatically just by specifying certain behavioral interactions using state diagram mealy machines ( [SDMM\[?d\]](#))."

"The so-called "Software architecture proof testing-programs" will have certain warranties about cyber-security, runtime-memory usage and user-defined usage rules."

21.21.3 Implementation Technologies

I use "flex and bison compiler / translator generation technology" for creating YERITH-WEB-PAGES-GENERATOR-9.0-DSL. I plan to automatically generate code for enabling runtime monitoring of the generated web sites. A first version of this FOSS (Free And Open Source Software) is available at URL: " <https://github.com/yerithd/yerith-web-pages-generator-9>".

21.21.4 YERITH-WEB-PAGES-GENERATOR-9.0-DSL Keyword Table

Figure 2: Webbrowser-based software architecture : at least 4 layers logical software architecture (Image copied from online pdf paper "FlashCache: A NAND Flash Memory File Cache for Low Power Web Servers" [<https://doi.org/10.1145/1176760.1176774>] by Trevor et al..)

Table 1: YERITH-WEB-PAGES-GENERATOR-9.0-DSL keywords and meaning.

YERITH-WEB-DSL-9.0 keyword	(level) Nested in keyword	Programming related meaning
1. yerith_web_pages_generator_MAIN		Contains web site all pages description
2. web_html_page_menu_bar_headers	(1) yerith_web_pages_generator_MAIN	Contains web site each page menubar pages names
3. web_html_page	(1) yerith_web_pages_generator_MAIN	A HTML page description
4. yri_html_page_title	(3) web_html_page	A HTML page title
5. yri_html_page_input_header_menu_bar	(3) web_html_page	Inputs a menubar onto this HTML page
6. yri_html_page_text_SECTION	(3) web_html_page	Describes a text section on a HTML page
7. VARIABLE_YRI_PARAGRAPH	(6) yri_html_page_text_SECTION	Defines text paragraph within a HTML page
8. text_yri_font_size	(1) yerith_web_pages_generator_MAIN	Defines a font size
9. text_yri_width_box	(1) yerith_web_pages_generator_MAIN	Defines a width for a text paragraph

Table 1 depicts and explains commands and directives for creating web-based HTML pages sites.

We plan also the generation of web sites based on an "*n-tiers architecture pattern*", illustrated for instance in Figure 2; that demonstrated solid resistance in practice for more than 10 years now as demonstrated by applications server existence and usage such as:

1. Apache tomcat application server
2. Glassfish application server: mainly used in combination with Java OSI component-based software development architecture.
3. Quercus PHP server interpreter application server
4. IBM websphere

All this work has to solve the issue of generating certain portion of web sites for customers and users of ["YERITH-ERP-9.0-PLATINUM"\[1\]](#) Enterprise Resource Planing software in a time period in-between of 3 years from this year 2024.

“ALL THIS UNDER THE PROTECTION OF OUR LORD AND SAVIOR JEOVAH-NISSI IN HEAVEN.”

RESEARCH AND TEACHING OBJECTIVES IV

12.12 Software Verification with YERITH_QVGE

A library or plugin at any layer (OR a combination mixture of layers) of a software system architecture could be verified and validated using YRI-DB-RUNTIME-VERIF by applying a receipt: IT would be sufficient to map each system call wanted for call sequence verification and / or validation to a MySQL query: So one doesn't need to re-create new Qt-DBus interfaces for YRI-DB-RUNTIME-VERIF: E.g.: "SYSTEM V libc".

Figure 3: Software system architecture of YRI-DB-RUNTIME-VERIF: it is also a runtime monitor container for software verification.

[model-based testing, DSL – domain-specific languages]

"THE GUI TOOL YERITH_QVGE (See Figure 7) GENERATES A FILE CONTAINING A MEALY MACHINE STATE DIAGRAM SPECIFICATION using YRI_SD_RUNTIME_VERIF_LANG; this file could be used as input for the compiler YRI_SD_RUNTIME_VERIF_LANG_COMP, so to gather a C++ package to run as runtime monitor within YRI-DB-RUNTIME-VERIF. THIS TOOL COSTS 2,500 EUROS."

TDIOHS complies fully with all semantic elements of HAREL-statecharts !

RESEARCH AND TEACHING OBJECTIVES IV – CONTINUED — 1

12.12.1 Software Verification VS Program Code Verification

Figure 5: Embedded program verifier notifier within YERITH-ERP-9.0-platinum; YRI-DB-RUNTIME-VERIF runs as a background process service.

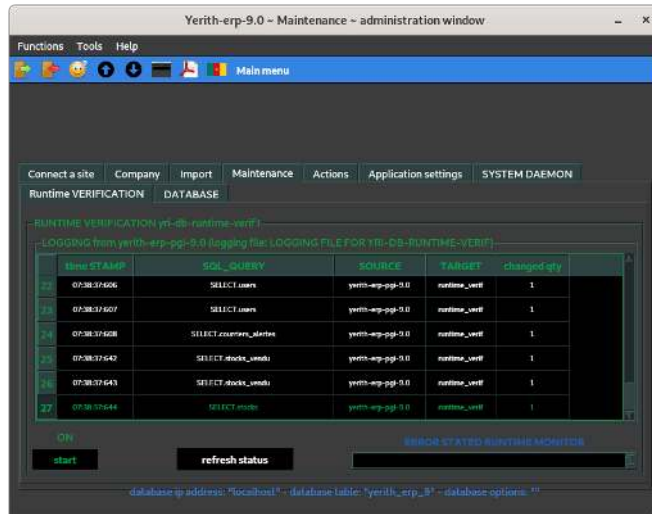

Figure 6: "Program verification (including model checking)" is a subset (c) of "SOFTWARE VERIFICATION". (See also research goal 4.)

Software System verification is a discipline to verify whether a software, meaning a product use at customer level and full-featured, conforms to certain software system user related usage properties.

In contrast, program code verification checks only program at the level of their source code or binary code product against code programming related properties, And not necessarily at level of a full featured user level product. Thus all code programming related properties could be cast down to certain software system related properties. *It follows PROGRAM VERIFICATION is a Subset Of Software (System) Verification: illustrated in Figure 6 !*

12.12.2 How to use YERITH_QVGE

A software component or a whole running software binary could be verified against SQL correctness temporal properties by USING YRI_QVGE, as illustrated in Figure 3: The 1st layer illustrates the runtime verifier tester monitor engine: YRI-DB-RUNTIME-VERIF, that entails several custom runtime monitor specifications, provided by user.

The 2nd layer shows the SUT (System Under Test); or PUA (Program Under Analysis); layer that communicates with YRI-DB-RUNTIME-VERIF through QT socket calls (via Dbus messages). Each event message is sent to all runtime monitors. The SUT source code has been instrumented first, so to specify which program statements actions are to be packaged as messages to YRI-DB-RUNTIME-VERIF.

The 3rd layer illustrates a library or plugin (i.e.: MySQL) that is being monitored via instrumentation of the SUT; in this case, the SUT is YERITH-ERP-9.0-platinum. *Other providers could modify An Open Source Code Version (FOSS) of YRI-DB-RUNTIME-VERIF to verify and monitor another library-plugin other than MySQL.*

The 4th and last layer shows the Operating System (OS) layer and its communication via systems calls with the 3rd layer of the library-plugin.

12.12.3 How to use YERITH_QVGE in relation to verification cyber-security detection remediation methods.

1. MODEL CHECKING (<https://wikipedia.org>):

Temporal logic formalisms, such as LTL (Linear Temporal Logic) (<https://>); Could be used to create State Diagram Mealy Machine (SDMM) (https://archive.org/download/yri_ictss_2023/yri_ictss_2023.pdf) [7d] and generate a binary executable of YRI-DB-RUNTIME-VERIF (<https://zenodo.org/records/10474033>) [7b] to perform runtime monitoring, and runtime SQL recovery of Graphical User Interface (GUI) supported software (And also not supported GUI software). Users must only note that "SDMM" specifications are fail (forbidden) trace behavior specifications of a program under analysis (SUT).

Structures could be created on how to translate simple LTL constructs into simple "SDMM"; So to ease usage of YRI-DB-RUNTIME-VERIF;

2. RUNTIME VERIFICATION (MONITORING; INCLUDING SOFTWARE CYBER-SECURITY EXPLOIT DETECTION REMEDIATION):

A whole class of problems involving sequencing of actions and / or method calls ranging from:

- Application Programming Interface (API) checking protocol usage;
- Software Security Vulnerability Analysis: I.E. Taint Analysis;
- Information Flow Policy Control and Enforcement: I.E. ...
- Checking of automated and / or manual (unit) test procedure conformance with regards to TESTED PROGRAM (SOFTWARE) temporal properties;
- etc.

could be solved by usage of YRI-DB-RUNTIME-VERIF; YRI-DB-RUNTIME-VERIF GIT-REPOSITORY[7b]: <https://github.com/yerithd/yri-db-runtime-verif>.

"Pr. Prof. Dr. Jean Yang, Ph.D." from CMU—"Carnegie Mellon University" (<https://www.cs.cmu.edu/~jyang2>)" could be a potential competitor in this area of research."

A. "Jeeves Programming Language" – last updated "October 2015" (<https://projects.csail.mit.edu/jeeves>)

- API usage rule check at 'AKITA Software' (<https://www.akita.com>)' in USA; California (CA).
- "Jeeves Programming Language" enables static typing;
- Dynamic code source rewriting to achieve Semantics; implemented as an embedded Domain Specific Language (DSL) in Python programming language.

RESEARCH AND TEACHING OBJECTIVES IV – CONTINUED — 2 VS. Jeeves Programming Language

Table 2: Jeeves Programming Language Versus (Vs.) The Runtime Monitoring Verifier Tester YRI-DB-RUNTIME-VERIF

"Information Flow and Policy Control"	YRI-DB-RUNTIME-VERIF	Jeeves Programming Language
1. <i>Specification as a Domain Specific Language (DSL)</i>	Yes (stand-alone SDMM (HTTPS://ZENODO.ORG/RECORDS/10976659) [?d] DSL specification; Based on MEALY MACHINE AUTOMATON; "HAREL-statechart (https://www.bibsonomy.org/bibtex/2462cc2a9db87a5788c405cc577968d5f/rneselrath) compatibility") ✓	yes (DSL embedded into Python)
2. <i>False (Positives) Warnings</i>	No (1 formal proof exists in JOURNAL PAPER (HTTPS://ZENODO.ORG/RECORDS/10976659) [?d]) ✓	★ yes (CHECK A REFERENCE)
3. <i>DSL Specification CARRIES DATA too</i>	Yes (as Qt-Dbus data parameters) ✓	yes (as local stack function/method parameter)
4. <i>As program annotations</i>	Yes (FOSS Library Qt-Dbus instructions) ✓	yes ('Jeeves' instructions)
5. <i>USABLE in a any programming language</i>	Yes (FOSS Library Qt-Dbus instructions) ✓	no (Only Python)
6. <i>ONLY usage with Python</i>	No (any programming language that could emit Qt-Dbus instructions) ✓	yes
7. <i>Embedded in a programming language</i>	NO ✓	yes (Python DSL library)
8. <i>Execution runtime overhead</i>	No (concurrent event stream analysis monitoring verification) ✓	Yes (Embedded Python runtime dynamic source code rewriting)
9. <i>Persistent storage technology</i>	Yes; "MariaDB (https://www.mariadb.org) " ✓	Yes; "PostgreSQL (https://www.postgresql.org) " ✓

Table 2 compares tabularly the "Jeeves Programming Language" and "The Runtime Monitoring Verifier Tester YRI-DB-RUNTIME-VERIF". In contrast to the "Jeeves Programming Language" that specifies information flow policy and control enforcement for Python, YRI-DB-RUNTIME-VERIF is not implemented as programming language feature, and thus could be used for any software system that could emit Qt-Dbus signals; Thus, information flow control and enforcement is run as a separate process, concurrently to the system under analysis (verification or monitoring) as pictured in Figure 3.

Figure 10 illustrates a sample SDMM ([HTTPS://ZENODO.ORG/RECORDS/10976659](https://zenodo.org/records/10976659)) [?d] specifying that a "FILE SHALL NOT be written-updated after it HAS BEEN CLOSED-DELETED".

12.12.4 Runtime Dynamic Program Interpretation Rewriting with "Jeeves"

The information flow policy control and enforcement solution provided by the "Jeeves Programming Language" is as follows:

1. A domain-specific language (DSL) is defined and embedded in a modification of the *dynamic interpreted* programming language Python. The drawback of an embedded DSL is a non re-usability in using other programming languages and framework other than those related closely to Python;
2. Only certain cases are flow policy control and enforcement are solved statically by "Python-Jeeves" type system;
It means that 'false positives warnings' cases still exist in programmer code and couldn't be removed by static compilation and / or dynamic code interpretation.

In contrast, "the mixed formal methods – runtime dynamic analysis monitoring" I used in "YRI_QVGE", don't allow by construction for 'false positives warnings': A 'false positive warning' is a message from the analyzing system that indicates an error accepting state while THERE IS IN EFFECT NO ERROR found yet.

3. Flow policy enforcement is solved dynamically at runtime by *dynamic code rewriting*; WE HOPE that this feature could be proved sound for all program statements because it might create uncertainty of valid flow policy enforcement at all.

Differently, "YRI_QVGE"uses SQL database statement query for performing error accepting state recovery (or—also—called "Information-Flow Policy-Control-and-Enforcement").

12.12.5 "Formal Methods – Runtime Dynamic Analysis" Vs. "Compiler Static Analysis Technology"

I advocate:

1. Solving problems using compiler static analysis technology; that is based on lattice-theory is more safe than formal methods algorithms at first because MANUAL model checking has to be used to prove formal methods solutions correct, which could be very tedious and lengthy; **OR EVEN INTRACTABLE**.

On the other hand static dataflow analysis algorithms based on lattice-theory are safe by construction and don't need no more proofs of consistency and validity as long as they only follow the base-pattern algorithm as for instance defined by "Gary A. kildall A unified approach to global program optimization (<http://doi.acm.org/10.1145/512927.512945>)".
2. The formal method approach I use in solving problems listed in "Subsection 12.12.3"; a combination of formal methods with runtime dynamic analysis is as perfect as the *static dataflow analysis* standard algorithm by "Gary A. kildall", because  **YRI_QVGE** uses only *fail (forbidden) traces* specifications and only exactly 1 outgoing edge for each transition in a STATE DIAGRAM MEALY MACHINE SPECIFICATION ([HTTPS://ZENODO.ORG/RECORDS/10976659](https://zenodo.org/records/10976659)) [?d]:

- A whole class of problems involving sequencing of actions and / or method calls ranging from:
- Application Programming Interface (API) checking protocol usage;
 - Software Security Vulnerability Analysis: I.E. Taint Analysis;
 - Information Flow Policy Control and Enforcement: I.E. ...
 - Checking of automated and / or manual (unit) test procedure conformance with regards to TESTED PROGRAM (SOFTWARE) temporal properties;
 - etc.

One could combine runtime verification analysis results with static dataflow analysis so to reduce search paths during static analysis; THUS reducing state explosion complexity problem and running time of stati

Figure 7: A SCREENSHOT OF YERITH_QVGE FOR GRAPHICAL DESIGN OF STATE DIAGRAM MEALY MACHINE (SDMM) SPECIFICATIONS.

Figure 8: A SCREENSHOT OF YRI-DB-RUNTIME-VERIF SQL ERROR EVENT LOG.

The screenshot shows the YRI-DB-RUNTIME-VERIF console (COMMERCIAL version enabled). The console displays an SQL error event log. The log table has the following columns: **time stamp**, **sql error event log**, **source**, **target**, **changed qty**, and **runtime monitor ID**. The log shows a single entry with the following details:

time stamp	sql error event log	source	target	changed qty	runtime monitor ID
17-06-2024-14:41	SELECT departements_produits	yrih-erp-app-3.0	YRI-DB-RUNTIME-VERIF	1	0

Below the log, the console displays the **SQL recovered executed query** and the **runtime monitor ID**. The console also shows the **runtime monitor ID** and the **runtime monitor ID**.

Create and produce a computer device that could be embedded into other computer devices and that will communicate with them through serial ports and / or USB interfaces SO to provide YRI_QVGE program verification to USER FINISHED products on-the-fly, AS an add-on ENGINEERED industrial product: ALSO this product could qualify for an ISO-related certification for avionics, railways, automotive, and FDA—ISO certifications for Healthcare: YRI-QVGE-PC-TABLET.

15.15 RESEARCH WORK OVERVIEW

THIS IS A PRELIMINARY WORK ON CHECKING TEMPORAL SAFETY PROPERTIES USING A TRACEMATCH–LIKE SPECIFICATION LANGUAGE; SOOT (<https://soot-oss.github.io/soot>) AND DATAFLOW ANALYSIS IS USED TO PRESENT A STATIC WHOLE PROGRAM ANALYSIS.

TRACEMATCHES alike specifications enable developers to specify API usage rule drawing, as a deterministic finite automaton (<https://wikipedia.org>). Patrick LAM and Xavier N. NOUNDOU have at this effect presented short overview slides of 30 minutes at IBM workshop CASCON 2010 ! (<https://www.sable.mcgill.ca/~clump/cdp2010/index.html>). PDFSAM (<https://pdfsam.org>), and sample other Open Source Code Software (FOSS) ARE USED as benchmark for project evaluation.

16.16 SOLUTIONS WITH LLVM BY CHRIS LATTNER AT "APPLE LTD.".

Instead of the 1st proposed Java–Soot approach as a whole program static dataflow analysis, a whole program context-sensitive dataflow static taint analysis for C using LLVM could successfully be implemented and described in ✦ YERITH–SAINT (<https://zenodo.org/record/8051293>) [1?].

The 1st YERITH–SAINT algorithm was implemented for programs written in C programming language, and used a pre-processing step for analyzing points-to set using "poolalloc" (<https://github.com/poolalloc>) from Chris Lattner (<https://llvm.org>).

BECAUSE our static dataflow taint analysis algorithm works on three-address-code, LLVM compiler framework could also apply YERITH–SAINT to JAVA code as input programming language to LLVM frontend-compiler-framework !

17.17 RELATED WORK: DYNAMIC PROGRAM ANALYSIS API–RULE CHECKER "TRACERORY"

"Unread memory verification" is an instance of API (Application Programming Interface) usage rule checking.

"TRACERORY" runtime unread memory verification tool of Jon Eyolfson (<https://hdl.handle.net/10012/6206>) ; "Detecting Unread Memory Using Dynamic Binary Translation at RV 2013 in Turkey" (<https://YRITOLLOOKFOR.org>) , Of my former office roommate at "ECE–Waterloo–formal–method Davis Center Room" (<https://watform.uwaterloo.ca>), 1st floor, and colleague in static dynamic program analysis, could be outperformed with use of ✦ YRI–DB–RUNTIME–VERIF (<https://zenodo.org/records/10474033>) [?b]: "a runtime monitor container for state diagram mealy machines (SDMM)".

"TRACERORY" uses runtime program binary code instrumentation in "INTEL-pin" (<https://wikipedia.org>) to instrument running programs for purposes of detecting unread memory.

Figure 10 illustrates a sample "SDMM" specification with instrumentation of source code with statements 'DELETE.file.f' and 'UPDATE.file.g' for runtime verification monitoring of API usage rule for checking memory write integrity: Runtime function "is_alias(g, f)" tells whether heap variable "g", and "f" refers to the same memory address. Such a "SDMM" specification is synchronized against a running program within a runtime monitor container: YRI–DB–RUNTIME–VERIF (<https://github.com/yerithd/yri-db-runtime-verif>) .

18.18 CONCLUSION

"Due to incompatibilities with Patrick LAM; after March 10, 2015, I abandoned this research idea because I couldn't afford being laid-off without any letter or any other formal mean of communication other than telling a lie about a supposed Ph.D. research seminar at EIT building in Waterloo main (200 University Ave West) Campus! - I co-taught and assigned marked with Patrick & Derek Rayside & Jon Eyolfson & Leo Passos, etc. for courses:
 1. "Compilers (ECE 351)": *Python scripts were written to automatically correct programming assignments from code source repositories.*
- *I went for an academic and professional internship at IBM Toronto Software Lab;*
 I wanted to improve my programming languages design and implementation skills as well as BASH-scripting.

I spent 2 Academic terms (8 months) in Markham (Ontario, Canada) for this internship.

I worked there under supervision of ["Patrick Doyle, M.ASc.",] and then "Prof. Vijay Sundaresan, M.Sc.".

 - o I worked principally as a tester for certain optimization features of the "J9 JIT compiler" for the Java application server (Servlet container) IBM Websphere (<https://>) under "Prof. Vijay Sundaresan, M.Sc.". I was writing BASH-scripts to run and evaluate implemented certain optimization features for the "J9 JIT compiler" for the Java application server.
 - o I could attend to lectures given at IBM Toronto Software Lab by "Pr. Prof. Dr.-Ing. Clark Verbrugge" from McGill University (<https://mcgill.ca>) on Creating Optimizations for Compilers.
 - o I could improve my skills with the following tools among others:
 1. "GNU-bash" (<ftp://ftp.gnu.org/pub/gnu/bash>)
 2. "GNU-vi / GNU-vim" (<https://www.vim.org>)
 3. "GNU-screen" (<https://savan-nah.gnu.org/projects/screen>).
- "Prof. Vijay Sundaresan, M.Sc." wanted myself to be back next summer for another internship with him at IBM: unfortunately I resigned from this engagement because I felt I had to go back in my home country: Cameroon !
- I befriended myself at IBM with "Aayush Prakash, M.ASc. (Waterloo, 2013)" (<https://>).
 1. I had a toyota corolla 2007 LUXUS EDITION; that's why Aayush PRAKASH 1st contacted me so I could help him mornings.

I tried trice but I COULDN'T anymore because I COULDN'T wake up so early; because MARKHAM is a very big city with so much traffic. BUT WE STAYED friend for ever.

THX. BRO.
 2. We then became roommate in Waterloo the following fall (September – December) term; I COULD appreciate someone nice and very comfortable with my living style since I am the one that was principally renting the 2-bedroom apartment on 16-457 ALBERT-STREET.

HE never not paid his subrent; and was also kind to learn more about how to better maintain a common washroom.

THEN he moved to IBM after successfully graduating with a M.ASc. in Electrical & Computer Engineering from PROFESSOR-racist HIREN-patel-racist !

I then went several times to visit AAYUSH when he moved to Toronto.
- I befriended myself in Toronto with the following fellow Cameroonian:
 1. "Prof. Dr. Alexie Tcheyuap, Ph.D. (Laval, Quebec, Canada, 2008)" (<https://utoronto.ca/~alexie>);

I AM STILL VERY GRATEFUL for this insight into my life as a scientist that led me to try and talk successfully with following pro-eminent fellow computer scientist:

- *"Vijay Ganesh"; very proud of having learned much of how to write a paper and / or reviews of other papers with him; I cannot be a Ph.D. or doctor without this collaboration !*

THIS IS SOMEONE very good at teaching research skills only. I cannot say much about his private behavior since I generally don't mix my private life with professional life !

- *"Aayush Prakash" (<https://sites.google.com/!!!>) (from IBM internship in Markham)*
- *"Leo Passos" from Generative Software Development research group at university of waterloo (<https://gsd.uwaterloo.ca/~lpassos>)*
- *"Frank Tip" (from IBM Research then as Professor at the University of Waterloo): AT all the very much inspirational about 'A SO CALLED taint analysis' in my research area at all.*

Before visiting CS846 of "Frank Tip", I cannot know anything about what is a Taint Analysis (<https://www.semanticscholar.org/paper/Temporal-Property-Verification-in-Plugin-based-Noundou/c68c2374b1dca17edab774ee8a1d09b015f29b33>) .

THIS CS846 (Program Analysis of Web Apps) is my best course as a graduate student in terms of working on related papers and writing reviews. Frank Tip is a very good and proud research manager !!!

"Only 1 tip, and you get all the clue about what you really need to do."

- *"Pavel Parizek" (<https://>) (from Programming Language Research Group (PLG) (<https://plg.uwaterloo.ca>), invited by "Ondřej Lhoták")*
- *"BORZOO" (<https://>) (very respected in RV conferences series)*

THIS [friend-kkk] of sebastian fischmeister from AUSTRIA-adolf-hitler (<https://uwaterloo.ca/~sfischme>) is so kind that he let myself in his office to present what I really want to perform as research. BUT i could notify an office with kind of ground-tapestry for WHAT-the-fuck.

1. dynamic analysis
2. static dataflow analysis
3. 🚩 *static taint analysis* (<https://zenodo.org/record/8051293>) [1?] by practicing within a personal single project:

"I am the only one who had this idea of performing static taint analysis, because I previously did a dynamic taint analysis in FRANK-TIP-CS846—racist-course. THE CS OF UNIVERSITY OF WATERLOO wasn't (<https://cs.uwaterloo.ca>) even capable of [finding this racist-cs846 segregative course curriculum] when I asked for it in year 2022; Even FTP, the creator of it WASN'T confident to give it to a black from AFRICA ! Summary-PAGES

— I find a very imposing book that explains in my better terms algorithms fixed point static dataflow analysis à la "Gary A. Kildall : A unified approach to global program optimization (<https://doi.acm.org/10.1145/512927.512945>)":

- "Advanced Compiler Design"; ISBN: "", by author from IBM: .

THIS book doesn't destroy your brain like the book:

- "PROGRAM ANALYSIS"; ISBN: "", by author from AMSTERDAM: .

I implemented my own static dataflow fixed point algorithm in C++ object-oriented, and I published it on my student Ph.D. page <https://ece.uwaterloo.ca/~xnoombis>; And on my defunct GITHUB.COM-web-page:.

I then improved and finished my static dataflow taint analysis, and starts preparing my Ph.D. research seminar as presented in booklets present in "ECE graduate students room" in EIT building !

NOT very long after this online internet-web publication; I LEAVE WATFFORM for Cameroon where I created YERITH R&D, and affiliated software systems programs.

— I met Pr. Prof. Dr.-Ing. Ondřej Lhoták (<https://cs.uwaterloo.ca/~olhotak>) in-person for a review of my created LLVM context-sensitive static dataflow analysis: HE WAS RELUCTANT only because of 1 missing application of the analysis.

— I assisted students in the LABORATORY for coding in C++ during 2 weeks:

1. "C++ Laboratory (ECE 250)".

[!!! Iranian canadian university of waterloo professors !]!!

My colleague JON EYOLFSON (<https://jeyolfson.com>) with Prof. Dr.-Ing. Ladan (<https://ece.star.uwaterloo.ca>), went to suppress my appointment illegally since I legally, according to ECE department regulations for 2 weeks vacation for personal illness purposes, sent JON eyolfson as a replacement laboratory instructor to myself to LADAN !

I couldn't recover my job as teaching assistant in laboratory at my stay-return from JON EYOLFSON that I sent to Prof. Dr.-Ing. Ladan, for only 2 weeks replacement of myself !

— I have prepared, and presented a context-sensitive static dataflow analysis in January 2015 at a DAVID R. CHERITON SCHOOL OF COMPUTER SCIENCE programming language research group (PLG) seminar talk.

The title of my talk was: CONTEXT-SENSITIVE STAGED STATIC TAINT ANALYSIS FOR C USING LLVM (https://archive.org/download/jh-nissi-ece-uwaterloo-grad-talk-2014-04-16/JH_NISSI_ECE_UWATERLOO_GRAD_TALK_2014__04__16.pdf) ; the presented application was the finding a buffer-overflow security vulnerability in SSL (Secure Socket Layer) protocol as found in the "HEARTBLEED bug" (<https://>).

Pr. Prof. Dr. MAGNUS MADSEN (<https://>), and Pr. Prof. Dr.-Ing. "Peter Alan Burh" (<https://>) were for instance present at this talk.

— I have prepared, and presented a context-sensitive static dataflow analysis on April 16, 2014 at an ECE graduate seminar talk.

The title of my talk was: CONTEXT-SENSITIVE STAGED STATIC TAINT ANALYSIS FOR C USING LLVM (https://archive.org/download/jh-nissi-ece-uwaterloo-grad-talk-2014-04-16/JH_NISSI_ECE_UWATERLOO_GRAD_TALK_2014__04__16.pdf) .

The goal of this static dataflow analysis was to solve the issue of temporal property API rule checking in Plugin-based software by static dataflow taint analysis.

RESEARCH AND TEACHING OBJECTIVES 2 – Dissertation Thesis Doctor–PH.D. in Electrical & Computer Engineering – continued - Hindrance

26.26 RESEARCH OUTCOME HINDRANCE

Summary-PAGES

IT WASN'T POSSIBLE TO IMPLEMENT THE STATIC WHOLE PROGRAM ANALYSIS AS PRESENTED because of the non possibility to acquire points-to information as a pre-processing standalone phase/step from SPARK POINTER ANALYSIS FRAMEWORK IN SOOT.

It wasn't in my research interest for a "Ph.D. in Electrical & Computer Engineering" to dive into recreating a pointer analysis for SOOT by modifying for instance research outcome work of "AAKARSH NAIR, MASc (2009)".

It would be more productive to perform research with "Ondřej Lhoták" in "Mathematics Department at DAVID R. CHERITON SCHOOL OF COMPUTER SCIENCE" (<https://cs.uwaterloo.ca/~olhotak>) rather than with DR.-PH.D Patrick LAM at ECE Department. So I stayed out of this area of research for the "Ph.D. in Electrical & Computer Engineering"; Computer Software Engineering is more focused on developing methodologies around software rather than creating complex computer algorithms for calculation purposes; AS this is done in Computer Sciences (E.g.: "Ph.D. in Computer Science").

It is somehow also feasible for a "Computer Software Engineer" easily to implement a "pointer analysis as a Ph.D. in Computer Sciences could do whenever needed" !

I ("Doctor–PH.D. of Engineering Xavier Noubissi Noundou") have, for instance demonstrated, I could at least at level of a pointer dataflow analysis design and implementation performed by implementing the 1st openly (FOSS) published on the internet (2015):  <https://zenodo.org/record/8051293> [1?] : "git CONTEXT-SENSITIVE STAGED STATIC DATAFLOW ANALYSIS FOR C USING LLVM ! (<https://zenodo.org/record/8051293>) [[1?](https://zenodo.org/record/8051293)] : "git <https://github.com/sazzad114/saint>".

- 1st of all, I need to mention that JON eyolfson has tried to remove all connections to my person in his documents I could see on the internet media and / or wherever else.

FOR instance, JON eyolfson doesn't mention anymore he reviewed papers for OOPSLA 2010; I ASSUME because my name stays also in the document viewable from the web I COULD SEE last .. (<https://>)

"Doctor–PH.D of Engineering JON EYOLFSON" (<https://utoronto.ca/searchlinkjoneYolfson>) could for instance implement a Gary A. KILDALL (<https://wikipedia.org>) static dataflow pointer analysis based on my research outcome in  "XAVIER NOUMBISSI NOUNDOU'S DOCTORAL EXCERPT DISSERTATION" (<https://zenodo.org/record/8051293>) ; Even though he didn't cite my previous work and also Gary A. KILDALL (<https://wikipedia.org>).

Instead, HE WENT ON TO CITE "Professor Doctor PH.D. John hopcroft at Cornell CS" (<https://WIKIPEDIA.ORG>). ! I could also notify that the description of the flow functions in JON EYOLFSON's doctoral thesis, Acknowledged by "Professor Doctor–PH.D of ENGINEERING ... from RIT", Wasn't compliant to the highest academical standard as IT IS DUE for a university in ONTARIO–CANADA.

"Jon" instead of performing a pre-processed step pointer analysis result searching, went on to implement a whole program static dataflow analysis, INCORPORATING an LLVM-based pointer analysis, copied from my work, Without citing it ("I finished that work in 2015", While "JON Eyolfson" defended his Ph.D. thesis containing this pointer analysis in 2018).

"I could also note it seems ["Ondřej Lhoták"] wasn't a member of JON eyolfson dissertation defence examination committee (<https://>), even though HE ("Ondřej Lhoták") is the most famous scientist in this area of research at the UNIVERSITY of WATERLOO based on his publication and citation record (<https://>). "

2. " My intellectual and copyrighted work with "DIVAM JAIN, M.Math", now at ["Google Waterloo Inc."] (<https://google.com/jobs>), has by now produced at least 11 scientific published papers worldwide, with money rewards, without my name on neither on them."

INSTEAD, other people reward from it:

1. "Professor Araving Machinry" also used code sources results from my Static Dataflow Analysis without any citation of it in his Award winning USENIX paper; I mailed him in 2017; HE said that my work wasn't published by a peer-refereed conference and/or workshop, or whatsoever; THAT'S WHY he couldn't cite it.

Instead of citing the 1st original publication of a Free and Open Source Software code (FOSS), 2015, As I have published in on 'github.com (git <https://github.com/sazzad114/saint>)'; ARAVIND cited instead my competitor BODDEN-ERIC (<https://bodden.de>) (from Germany (<https://GERMANY.DE>) and Previous colleague of Patrick LAM (<https://patricklam.ca>) at McGill University (<https://mcgill.ca>)).

Long after terminating my research collaboration with Patrick LAM at University of Waterloo, ONTARIO, CANADA; I could then notify that he was talking especially to "ARAVIND machinry my competitor about my research under his supposed supervision without telling it to myself!"

2. A ghanaian ignorant, wretched worldwide called SANDY-beidu thinks he could behave so to alter my JEOVAH-NISSI-confidence at his underground-peggist home in bavaria-waterloo.

BEcause I rented a ford-... during my travel to the "1st summer school on formal techniques" in ATHERTON, california; So to be mobile because I HAD TRAVELED to united states of america before when I WAS an employee of bavarian Siemens-medical-solutions; THIS guja went on to buy as his 1st car the same FORD-type since he thought I WANTED to show up in front of him and ANOTHER black-afro-descendant from long-islands.

I AM EVEN wondering how this lady from basement science could be invited to the summer school ! AT ALL ! may be a call-girl !

FROM academic level point of view, this ignorant doctor of philosophy in computer science, SeEms to ignore what I COULD BUILD AS [enterprise resource planing (ERP-system) software !!!!!!!!]

3. JAN peleska from GERMANY, didn't say anything about the law against myself in Cameroon because he is the one who went to report false behaviors of myself to Cammeroon authorities about my living style in Germany without telling anything to me about.

Even at German Embassy in Yaounde, I could notify a strange behavior of people working there against myself while I came to complain against FRANCK-BIYA, son of PAUL BIYA. THIS GAY with my cousin PATRICE CABRAL SHANDA SANOU (deceased by now since March 18, 2024 went to destroy my investment by creating a forestry society just opposite of my lawful building for peaceful habitation usage) !

JAN peleska from GERMANY, also seems to be the one that said and commanded PATRICK LAM to destroy my career because I reluctantly refused to pursue doctoral Ph.D. research under his supervision at the University of Bremen; I.E. Jan peleska insulted violently myself in front of HELGE LOEDING (<https://LOEDING-ONLINE.de>), SERGE FOPOUSSI NONO ACHILLES (<https://LINKEDINspouse.de>), etc.

I cannot live with racial segregation !

YERITH_{RD}, CENTER REGION, CAMEROON — (ADDENDUM WITH TYPESTATE-API USAGE RULE

[JUNE 2024 – JUNE 2024]

CHECKING; STATE DIAGRAM MEALY MACHINE (SDMM[?d]))

[API (application programming interfaces) typestate checking, tracematches, temporal safety property verification, cyber-security, software security vulnerability analysis, computer software static program analysis, computer software dynamic program analysis, software testing, software integration testing, GERMAN STYLE HABILITATION]

The same class of problems that solve taint analysis issues resolve also API usage rules checking for specification of forbidden usage rules as a typestate specification. A violated API typestate (tracematch-alike) usage rule corresponds to a tainted path or a sub-tainted path (E.g.: path "L4—L7—L9—L10—L11" in Figure 12).

You specify a **forbidden (fail trace)** [sequence of method calls that shall not occur in the source code]. Using static dataflow taint analysis, you check whether this specified forbidden (fail trace) corresponds to a tainted path or a subpath (of a fail trace).

"API (application programming interfaces) usage rules [typestate formalism is a similar paradigm of specification possible for input for this static context-sensitive taint analysis; "subsequent research of mine alone reveals state diagram mealy machine (SDMM) as a subset of typestates SDMM[?d],".] of Java or C++ library are another realm of application of this static context-sensitive (parametric) dataflow taint analysis."

"In contrast to Tracematches that specifies WISHED BEHAVIOR (PROGRAM TRACE) of API user interface rule calling method sequence; as illustrated in "Hendren, et al. work" (<https://>), "state diagram mealy machine (SDMM) BY XAVIER NOUNDOU, SPECIFIES UNWISHED BEHAVIOR (PROGRAM FORBIDDEN FAIL TRACE)" (SDMM (https://archive.org/download/yri_ictss_2023/yri_ictss_2023.pdf)[?d]))."

"One effort could be to give a formal translation methodology from "tracematches onto state diagram mealy machine (SDMM)"; Thus enabling automatic reuse of all tracematch specifications directly into a runtime monitor engine like YRI-DB-RUNTIME-VERIF (<https://zenodo.org/records/10976659>)."

"Patrick has not at time understood that this application is also possible by static dynamic program analysis tool created by myself at YERITH-RD: YRI_QVGE[12.12]; a Free and Open Source Code Software (FOSS)."

"Patrick LAM my former advisor since '2015-MARCH-10' is missing !"

"Patrick LAM and Xavier N. NOUNDOU have at this effect presented a short overview presentation of 30 minutes at IBM workshop CASCON 2010! (<https://www.sable.mcgill.ca/~clump/cdp2010/index.html>)"

A SINK IS AN ACCEPTING (error) STATE; A SOURCE IS A START STATE. Sources and sinks are methods from the library (or plugin) used by the program under analysis (PUA). Edges are other method program instructions as seen by a THREE-Address-Code representation such as Jimple (SOOT), Gimple (GCC), etc., and, or LLVM three-address-code format.

Since YERITH-SAINT our (Xavier; Vijay, and Patrick) static dataflow taint analysis algorithm works on three-address-code, LLVM compiler framework could also apply YERITH-SAINT to JAVA code as input programming language to LLVM frontend-compiler-framework, and perform as well API USAGE RULE check.

IT means in effect that any programming language that could be inputted to LLVM frontend-compiler-framework, COULD BENEFIT FROM THIS SOFTWARE STACK api (application programming interface) rule checker.

Klaus is never clear-minded in terms of being humble because he even insulted myself in 1 of his email that I received at my email-address: "Yerith.Xavier@gmail.com".

MAY be because of his friendship, undeclared at the time I was under supervision of JAN PELESKA–cuon.

2. PROFESSOR yves emvudu–cuon (INFORMATION SYSTEMS DIRECTOR deceased by now, Higher Education Ministry in Yaounde (<https://>), Center Region, Cameroon) [Around "August 2015"]

THIS idiot didn't even counseled me properly about the educational system employed in Cameroonian UNIVERSITIES. HE didn't even inquired on either my passed qualifications nor my credential documents; Since with his position, we could together query all required documents from an official position research in high education ministry for me.

HE just sent me to École Normale Supérieure so to meet a professor of MATHEMATICS that I forgot names and qualifications since I could never see him at ENS–yaounde.

THE other professor of mathematics I was supposed to meet, even though I AM foremost a computing engineer and developer was a MATHEMATICS professor at École Nationale Supérieure POLYTECHNIQUE de YAOUNDE. THIS man that seemed very kind but dangerous just gave me advise to put my publications of '<https://www.archive.org>'. "THIS older man than Yves–emvudu was a doctor from WEST–germany", whereas "YVES–emvudu was doctor from east–germany" !!!

ALSO, I was told by EMVUDU to apply for a teaching assistant position at SIANTOU–supérieur, and also Congo–CAMEROUN science university in a remote area of Cameroon I even don't remember the name.

[IT is exactly because of my "assassin–uncle–paternal-Laurent–TCHANDEU" that I went o search and encounter "YVES emvudu" of SÉCRÉTARIAT D'ÉTAT A LA DEFENSE (sed) without knowing he might create a procedure to destroy me mentally because it might be inappropriate for a criminal like LAURENT to act directly on my body because of the blood–genetic–connection–with–his–own–kids !!!]

3. PROFESSOR bertin nyemb (École Normale Supérieure de Yaoundé – ENSY (<https://>), Center Region, Cameroon) [Around "May 2022"]

THIS very not humble professor of german language and cultural-ism is a very humble and not contestative person because he has always been trying to hijack myself as a member of DGRE.

I SUSPECT this idiot spy of biya–regime to have even sent false opinions of myself to german authorities at the UNIVERSITY–racist OF BREMEN after I MET HIM once again here in Yaounde in year 2022 !

SO this man of "Bassa"–tribe is at least 3 times recidivist in trying to check what makes someone like myself an ignorant by psychiatric methods like the ones [EYOUM–rotarian–CHRISTIAN] has been trying together with PR. DR. shanda–tonme, and EMVUDU.

I acknowledged at his request to be member of his stupid [Rotarian] organization so called PROvac ("PROMOTION des valeurs au Cameroun").

THIS has been more than 22 months now, he has never replied to any message about trying to computerized his membership list and cards using my humble open-source software YERITH–ERP–9.0–PLATINUM.

RESEARCH AND TEACHING (FORMAL TRAINING — TEACHING ASSISTANT — UNIVERSITY OF WATERLOO, ONTARIO, CANADA)

I. Formal Training for occupying teaching positions |

UNIVERSITY OF WATERLOO, ONTARIO, CANADA

[SEP. 2009 – APR. 2015]

[TEACHING ASSISTANT training;

CUT-1 - Certificate in University Teaching 1]

1. Training in ECE Department (Electrical & Computer Engineering Department):

Before starting my 1st formal appointment as a teaching assistant at the University of Waterloo, ON, CANADA; In year 2009, I received a group training for graduate students of the ECE (Electrical & Computer Engineering Department).

2. Passed QUALIFICATION interview to teach OBJECT-ORIENTED PROGRAMMING WITH JAVA:

I SUCCESSFULLY passed a presentation slides lecture for qualification interviews OF 30 minutes added with Q&A-Questions&Answers session; to teach Object-Oriented Java Programming to 1st year student at THE university of Waterloo in year 2012.

NEVERTHELESS, I was not chosen as THE committee said: I QUOTE THEM: "Xavier might no be able to manage this very young age students in a class of 100 or more." I WAS AGED MYSELF 29 years old in year 2012 when this happened ! THX TO PATRICK-IDIOT-LAM

PATRICK-IDIOT-LAM is only 4 years older than myself. IT seems PATRICK and lin-tan-AGED-exactly as myself were trying to avoid a so-called-negger at a high paid position at UNIVERSITY-OF-WATERLOO. Lin tan is born 1983 like Xavier NOUNDOU !

THE class was given at the end to a seasoned professor named SEBATIAN FISCHMEISTER (<https://ece.uwaterloo.ca/~sfischme>), that leads the Embedded Research Group in ECE (<https://ece.uwaterloo.ca/~sfischme>).

3. This was optional. CUT-1; Certificate in University Teaching – 1:

"THE university of waterloo in ontario, Canada"; offers a formal training program in 4 certificates to qualify graduate students and / or whatsoever qualified persons for teaching at a UNIVERSITY.

I attended the level 1 certificate in 2010, but didn't pursue the last 3 levels because I felt I couldn't perform as fast as I wanted my doctoral research due to the high level of academic requirements due by researching in the "static code program analysis" area of research; At WatForm (WATERLOO FORMAL METHODS group research) (<https://watform.uwaterloo.ca>); led by "Prof. Dr. JOE atlee of the CS (Computer Science) Department" (<https://cs.uwaterloo.ca/~jmatlee>).

AFTER my free registration, at my own request and without asking PATRICK-idiot-lam; and attendance of all 1st level courses at "DAVEN-PORT library on main (200 UNIVERSITY AVENUE WEST) campus" of the UNIVERSITY OF WATERLOO, I notice IT would be impossible to myself to finish my research in due time without issues with my doctoral advisor !!!

WE were around 10 in a sumptuous and luxurious carpeted room at kind of 3th level in the main building !

ESPECIALLY added to the fact I WAS EARNING SUCH A LOW 999-CAD, so I HAD to TA-teaching assisting PATRICK lam.

THAT'S why I resigned.

[I EVEN feared PATRICK lam was trying to make myself sick because of the amount of stipend I HAD, compared to other students like JON eyolfson who also add other stipend from NSREC-CANADA !!!]

"I was under supervision of my doctoral Ph.D advisor Dr.-Ph.D. of Engineering PATRICK lam".

RESEARCH AND TEACHING (TRAINING ___ TEACHING ASSISTANT — UNIVERSITY OF WATERLOO, ONTARIO, CANADA)

I. Competencies Acquired and Learned as a TEACHER-PROFESSOR |

UNIVERSITY OF WATERLOO, ONTARIO, CANADA

[Sep. 2009 – Apr. 2015]

[TEACHING ASSISTANT training]

- SUMMARY of given-co-taught courses: '5' undergraduate ("Bachelor") level courses; '2' graduate ("Master", "PhD", "Ph.D.") level courses.

◦ SOFTWARE TESTING, QUALITY ASSURANCE AND MAINTENANCE (ECE 453 / SE 465)

1. Creating a "JUnit 4-tutorial" (<https://zenodo.org/record/8052444>) and got it reviewed by PATRICK LAM; THIS is not a task PATRICK as instructor asked me to perform; I did this in my free time and put it as sample training material for students. – "(*) Professor task level"
 2. GOING in class to teach JUnit for exercise session – "(*) Professor task level"
 3. Creating SAMPLE solutions to assignments – "(*) Professor task level"
 4. MARKING ASSIGNMENT à la patrick lam – "(*) Professor task level"
- I felt very improved for my teaching software technical testing skills.

◦ PROGRAMMING FOR PERFORMANCE (ECE 459)

1. TAKING some time in my time of research for my ["PH.D. in electrical & Computer ENGINEERING"] to receive students visit at my office; and teach them what they couldn't understand either in class, and / or for the course material ! – "(*) Professor task level"

"Since my PH.D.-advisor patrick was the Director of Software Engineering study programs, I Think he thought I could replace him as a lecturer and he wanted to test these skills."

2. "Really I didn't much like this course as taught by PATRICK because it was more a kind of programming course that wasn't very solid in mathematical and engineering foundations; Except for theories and histories on processor speed "MOORE-law" expansion and development ! "

"THIS was more to gain money because I was only earning \$999 Cad as a "master of science, PH.D. candidate" under supervision PATRICK-lam; coming from a middle level-paid good money position."

◦ COMPILERS (ECE 351)

1. I did during my time in BREMEN, a course called ("Übersetzer GENERIERUNG mit LEX und YACC") that could be translated in English-white: "Compiler / TRanslator GENERation with LEX & YACc".
2. Creating Python scripts to query, compile and build; and check results of computer programs as assigned for students in ECE 351 class of racist DEREK-GAYSIDE.

◦ * GRADUATE (MENG, MSc, MASC, Ph.D.) LEVEL COURSE – METHODS AND TOOLS FOR SOFTWARE ENGINEERING (ECE 650)

1. I went to classes like students to assist idiot-Igor-IVKOVIC that required this visitation of classes for me. – "(*) Professor task level"

"deceased NOVEMBER 2021 igor idiot-ivkovic wasn't not even capable of understanding what he taught in front of students professional himself. THAT'S why he required my presence in classes so I will help him better ! "

"IT Means IGOR-ivkovic shalln't have gain more "payment cheques" than myself because it seemed to me I would do more teaching than he did."

◦ COMPUTER NETWORKS (ECE 428)

1. "Creating Python scripts to query, compile and build; and check results of computer client-server programs as assigned for students class of racist-idiot Mahesh-Rayside."

◦ * GRADUATE (MENG, MSc, MASC, Ph.D.) LEVEL COURSE – FOUNDATIONS OF SOFTWARE ENGINEERING (ECE 651)

1. "Learned on the grasp theories and practices of software quality metrics and tools so to teach them to students. IGOR ivkovic, the deceased idiot-instructor wasn't even capable himself of anything." – "(*) Professor task level"

◦ [C++ LABORATORY (ECE 250)]

1. Working with "iranian-in-north-america", as being a black-afro-descendant is not recommended at ALL !

"JON eyolfson is a burglar incompetent GUJA that is not even capable of respecting an agreement of 2-weeks replacement for his office mate."

(<https://zenodo.org/record/8051293>) "
 "I was very surprised to see a [culprit called MATTHEW MA] that was Master of Applied Science of DEREK, COMING to myself with his mother and offer me "\$400 CAD so to code for his MASTER PROJECT in Computer Software Engineering from derek." "
 "Thinking that derek went to pay around \$30 000—CAD to MATHGENEALOGY.ORG, (<https://mathgenealogy.org>) so my free registration from "[PATRICK] AND rinard-martin; (<https://csail.mit.edu/~rinard>)" from 'PH.D.' onto 'ABD' be changed without any formal justification as specified [[here];] DEREK-GAYSIDE is only someone that hijacked to get a degree from renowned MIT." "Demo" then obtained a position as "PHP – Java Web Software Developer" at "Canon LTD.", based in Germany - Osnabrück !

AT least trice (3 times) a month, I will receive a phone call from Germany requesting software programming and / or database technical help from this GUJA.

Each time I could solve his issues until HE stopped calling around August 2014, when I became a CANADIAN citizen, and when himself *r-"DD-David-DEMO noundou"* went for a marital union with *r-"Astride Patibé"* ; a nurse from Cameroon – Baham – BAFANG tribe.

r-"CÉLESTIN puene" is another (Food–processing) engineer from Cameroon that came to myself sent by "his natal village Babouantou" friend paternal uncle *r-"DD-David-DEMO noundou"* .

HE came saying he needed help in buying a mechanical truck from the USA for his brother in cameroon who possessed a road construction society in YDE. *r-"CÉLESTIN puene"* was first living in Frankfurt–GERMANY, before moving around 3 years after myself, into Canada [WASKAGANISH, qc; and "then Brampton, ON"].

" *r-"CÉLESTIN puene"* and *r-"DD-David-DEMO noundou"* are now member of [*★ ★-"ROTARY CLUB INTERNATIONAL"-★ ★*]; *r-"DD-David-DEMO noundou"* was initiated by *r-"Dr. MBOUM, M.D., Ph.D. (surgeon)"* from OSNABRÜCK–germany. I could say I do not want to be member when *r-"DD-David-DEMO noundou"* asked for this in year 2014“.

[IDIOT-black-afro-descendant Sandy BEIDU from ghanaian land]]*

I. Duties completed by Research Assistant [Diplom-Informatiker (Dipl.-Inf.)] Xavier Noubissi Noundou:

1. I went to menlo-racist-college (<https://www.menlocollege.com>) in California, USA, to the 1st summer school on formal techniques from "May 22, 2011" until "May 27, 2011"; under a recommendation-required (from professor doctor NANCY-idiot-day (<https://www.cs.uwaterloo.ca/~nday>)).

I was accompanied by the GHANAIAAN called SANDY-cuon-beidu supposed to be a very famous computer scientist originating from my home continent AFRICA.

[THIS hideous ignorant fellow, from a very poor material background arrived at the university of waterloo "WatForm-waterloo formal methods" in year 2010 if I have good memories; Saying to the world he is a JESUS-christian;]

This kind of black-afro-descendant is so disgusting that I believed that the racist JO-atlee-his-research-advisor (<https://www.cs.uwaterloo.ca/~jmatlee>) went to pick him so to dishonest myself in front of the extremely dominant ["iranian female population in ECE graduate student folks"] !

HE even thought that I RENTED my "FORD-..." to tell them (Sandy-idiot-day, and a lady from long-island-black-prostitute) that I AM A WELL-TO-DO-MAN in front of them.

[I JUST remembered my BUSINESS-trip while I WAS TRAVELING for SIEMENS-medical-solutions-erlangen IN concord-ca-usa; And I KNEW I NEEDED to be mobile; THAT's why I RENTED the luxurious FORD from my savings account from my HARD-job at SIEMENS.]

[SANDY-idiot-poor-man-in-all-system thought when the other ghanaian idiot-story-teller-Dr.-Ph.D.-ERIC-brefom-mensah brought me to his travesty-basement-slot in WATERLOO, in ontario, 2018; THAT i needed some drink from him !]

[PLEASE folk from basement places in GHANA; Cameroon don't need this kind of down-treatment as CAMEROON is way more advanced as demonstrated ONLY by me !!!!!!!]

2. I have worked on topic "temporal property verification in plugin-based software"; and created a computer-Libreoffice-Impress presentation slides for the IBM workshop CASCON 2010-CDP-compiler-... (<https://www.sable.mcgill.ca/~clump/cdp2010/index.html>);
3. I HAVE IMPROVED my algorithm design skills by implementing popular algorithms using the Following ALGORITHM POPULAR BOOKS:
 - A. *Computer Systems: A PROGRAMMER'S PERSPECTIVE, 2nd edition ("ISBN 13 : 978 - 0 - 13 - 610804 - 7"); by "BYANT"-racist & "O'HALLARON"-racist-sexist;*
 - B. *Computer Algorithms.*
4. I have created sample program static code analyzes using the SOOT framework (<https://soot-oss.github.io/soot>) wo to acquire skills in static code program analysis.

2. "Samaneh Navabpour, Ph.D., Electrical & Computer Engineering"
 - SAM gave me 1st explanations about LLVM by using her previous work for a paper-RITHM (<https://>) she worked on in SEBASTIAN fischmeister embedded computer research group; She confessed not having exactly applied a static dataflow analysis à la "Gary A. kildall : A unified approach to global program optimization (<https://http://doi.acm.org/10.1145/512927.512945>)”.
3. Pr. Prof. Dr.-Ing. Nomair Naeem, Ph.D. (<https://cs.uwaterloo.ca/~nanaeem>)
 - NOMAIR was the 1st person apart from Patrick, my doctoral Ph.D. advisor that took so much time to help me understand and proof read my DOCTORAL PH.D. THESIS (<https://www.semanticscholar.org/paper/TEMPORAL-PROPERTY-VERIFICATION-IN-PLUGIN-BASED-NOUNDOU/c68c2374b1dca17edab774ee8a1d09b015f29b33>) [1a];
 - NOMAIR helped myself in understanding the intricacies of a context-sensitive static parametric analysis by explaining from his research paper Multi-object ... (<https://>).
4. Prof. Dr. Ondřej Lhoták, Ph.D. (<https://cs.uwaterloo.ca/~olhotak>)
 - Professor Lhoták accepted to review my YERITH-SAINT algorithm thoroughly.
 - Ondřej was very kind to help me with source code of 1 of his 1st LLVM dataflow analysis, before I started my own.
5. Pr. Prof. Dr.-Ing. JOHN hopcroft, Ph.D. (<https://cs.stanford.edu/theory>)
 - Explanation, at my email request, and very promptly and generously about an algorithm in his compiler book.

RESEARCH AND TEACHING (GRADUATE INTERN AT INTERNATIONAL BUSINESS MACHINERY (IBM))

1. Perform duties assigned by big manager and PATRICK doyle in Java-J9 JUST-IN-TIME OPTIMIZATION team (, located in Markham-ONTARIO-canada); (advised by Prof. VIJAY sundaresan, M.Sc. (MCGILL, QC, CANADA) | Patrick Doyle, (M.ASc., UNIVERSITY OF TORONTO, Ontario, CANADA))) |

[Program OPTIMIZATION,
Java virtual machines,
IBM-WEBSPHERE,
Racism from restaurant in india-bangalore-IBM-gay]

[Summary Dr.-Ph.D.-Ing. Review Research-PAGES]

I. Comfort excellent for work research at IBM:

1. I was working into a brown cubicle and had so much freedom in work that I WAS SOMETIMES afraid that I AM NOT PERFORMING well.

BUT when I STARTED working closely more with VIJAY I felt so busy that I WAS DREAMING of going home around 03 : 00PM in evening;

IN total, IBM in MARKHAM offers very good working and research conditions for his employees, even better than my previous 1st full-time job as JUNIOR-SOFTWARE-DEVELOPER at SIEMENS MEDICAL SOLUTIONS in Erlangen, BAVARIA, GERMANY !!!

II. ISSUES - Problems with some colleagues:

1. **Prof. Vijay Sundaresan, MSc. – from Bangalore, INDIA**

THIS daemon of work was so kind that I ONLY FEEL I have satisfy him as much as he wanted and could !!!

HE is very attracted to good and fast male workers; because female workers would only try to hijack his time for a snack !!!

I am very proud of having work with such an amazing scientist at all !!!

ALSO the team managers, including the chinese woman, were very kind to myself as the only male afro-descendant from AFRICA !!!

2. **Patrick idiot Doyle, M.ASc. – from Ireland-CANADA**

THIS ignorant as a teacher and / or mentor couldn't even pick myself at time when I Was waiting for my hiring team for the internship to come at my encounter in the biggest room where we all intern were awaiting 1st day of internship.

III. Duties of Graduate INTERN [Doctor of Engineering] Xavier Numbissi Noundou:

1. **FIX SOFTWARE TESTING FEATURE AUTOMATION USING BASH SCRIPTS**

I felt a lot better at this task because I could feel having a positive impact on the project team lead by manager that I don't remember names and academic titles.

ALSO vijay sundaresan wasn't very disgusting as people working in the restaurant, that always served myself BURNed food, especially pagan-food.

Vijay sundaresan is a very talented software lead and developer that I could ever see in my career; I VERY MUCH LIKED THE INTERACTIONS with him compared to PATRICK doyle.

TODAY I FEEL there are 2 factors that helped:

- A. MCGILL university (<https://www.mcgill.ca>) graduates in Computing Sciences are very much talented compared to other students from ONTARIO.

2. **MAINTAIN CERTAIN DAYS BUG DATABASE**

AT all not very difficult, since I WAS USED TO use CHARMNT in my previous full-time job at Siemens Medical Solutions in Erlangen, BAVARIA, germany.

3. **SOLVE AS MANY AS BUGS IN COMPILER OPTIMIZATION CODE SOURCE IN C++**

Coming from a program analysis research team, that performed more static code analysis using framework like S00T, and LLVM; I WAS KIND OF not performing very well at this task at all because of the very applied and complicated data structures; Especially because PATRICK-indigeneous-iranian-irish-from-british-kingdom never even got me to a small talk for explaining me briefly what was the governing ideas leading the development team in MARKHAM.

INSTEAD, i only received so many documents that I had to read and detect understand myself.

Earning as much as 3 000 \$CAD monthly, I FELT SO BAD that I Went to complain to the manager; a very kind person; that allowed then myself to work with the team lead VIJAY sundaresan...

RESEARCH AND TEACHING (JUNIOR SOFTWARE DEVELOPER AT SIEMENS MEDICAL SOLUTIONS)

RESEARCH AND TEACHING (JUNIOR SOFTWARE DEVELOPER AT SIEMENS MEDICAL SOLUTIONS)

1. CREATE AND MAINTAIN C++ CODE SOURCE FOR THE SOFTWARE COMPONENT (which is protocol communication control) TXSUPERVISOR of Syngo-RTT-Artiste Therapist Software (advised by DARIO MERAIGLIA | GERHARD SENG) |

SIEMENS MEDICAL SOLUTIONS, BAVARIA, GERMANY

[11/2007 – 07/2009]

[C++,
Software Integration Testing,
Radiation Therapy Treatment,
IMRT beam treatment,
 TXSUPERVISOR software component development]

I. ISSUES – Problems with some colleagues:

1. *Gerhard Seng and Dario Meraviglia told myself I should be promoted to the position of Dario as "technical lead of the software module component TXSUPERVISOR (only 1 developer)" if I could succeed in gaining a full-time permanent contract after an initial successful 6 months period of work under direct leadership of DARIO MERAIGLIA.*

"AFTER SUCCEEDING the trial period of 6 months, I obtain a change of software developer contract from a full-time limited contract to a full-time permanent contract with "Siemens Medical Solutions". "

"HOWEVER after an additional 15 months of work, I am not anymore promoted to a higher level position of Technical Lead. "

"This is why I decide to make the effort to go back to academia and pursue [a doctoral Ph.D. in Electrical & Computer Engineering (Computer Software)] at the University of Waterloo, in ONTARIO, CANADA; WITH [Dr.-PhD patrick lam as academic adviser] !! "

2. *"Merlin Tonka from Cameroon" is calling me even before my first day at job in Erlangen to tell me he hopes I will be able to perform well and thus keep my job beyond the 1st 6 months period of try: He tells myself HE got my email from boss "Gehrrard Seng";*

"From NORTH of GERMANY WHERE I STUDIED AND LIVED for almost 6 years before being recruited and before moving to Fürth–BAVARIA–Germany, this is not "SACK–ARBEIT": I.E. one shall not mixed private life affairs with business matters at all: THIS IS HOW I LEARNED IT in HAMBURG, and BREMEN ! "

3. *"Merlin Tonka" one day follows myself in metro and bus so to tell me that HE shall be promoted as a team of a new testing and developers team, And that he shall be my manager.*

" I was wondering silently (because very young in year 2008 with only 23.5 years old ("Merlin Tonka was at least 40 years old in front of my age"), that someone less qualified than myself and currently employed as only a software tester, which is a lower level required qualification; Put aside you are PhD–doctor-of-engineering; and that was recruited only 1 week before my personal recruitment, will become my manager by telling it to me only in streets ! "

"THE italian master of science–level engineer Dario Meraviglia is my technical lead, followed by Gerhard Seng, our common teal lead at Syngo–RTT–Therapist–SW–Realize team" !

4. *After leaving "Siemens Medical Solutions" legally by resigning with a signed letter 3 months before leaving my IG–METAL–tariff–vertrag employment in year 2009; I sent a letter to thank "MERLIN TONKA" for the positive professional collaboration I had with him as a fellow cameroonian, despite a lot of troubles we had; I sent this letter only around 1 month after starting studying in Waterloo, Ontario, Canada.*

"THE answer from "Merlin Tonka" is so negative minded and outspoken that I need to reply to tell him truth about not trying again to tell me he is superior to myself: I.e. Merlin tries in a letter to tell me I could not perform well in software developer job, that's why I resigned !!! "

RESEARCH AND TEACHING – CONTINUED (1) (JUNIOR SOFTWARE DEVELOPER AT SIEMENS MEDICAL SOLUTIONS)

1. CREATE AND MAINTAIN C++ CODE SOURCE FOR THE SOFTWARE COMPONENT (which is protocol communication control) TXSUPERVIOF of Syngo-RTT-Artiste Therapist Software (advised by DARIO MERAVIGLIA | GERHARD SENG) |

RESEARCH AND TEACHING (STUDENT SOFTWARE DEVELOPER AT GEWETE GMBH)

1. CREATE SQL databases Java Servlet programs and C++ communication protocol software programs (advised by SVEN KAMRATH | JENS MÖLLER) |
BERGMANN AUTOMATEN GMBH (NOW GEWETE GMBH), GERMANY [03/2005 – 04/2007]

[C++, MAKE,
Java, Servlets, apache ANT, Eclipse IDE,
XML (e.g: JAXP library),
Qt, SQL,
Vending machines, Communication protocol]

I. Duties of Student Software Developer [Vordiplom in Informatik] Xavier Noundou:

1. "LaDIVA java servlet XML parsing project development, and its installer Graphical User Interface (GUI) program developed using "JSWING" (<https://>) Java library technology."
2. "MESO": "LaDIVA java servlet XML parsing follower project development."
3. "C++ coding of a "Sap-ABAP protocol communication interface" to put "Bergmann Automaten GmbH" vending machines in communication with vending machine of Hamburg public library that used "BIBLIOTHECA software library".
4. "C++ coding of SIPv2 control communication protocol (<https://>)."
5. Migration from "ORACLE 9i database tables" onto "MySQL database tables" for the MESO project (follower of LaDIVA software project); I used following technologies:
 - a. BASH-scripting
 - b. AWK scripting language.

II. Students living in Germany I helped during my whole time at "Bergmann Automaten GmbH, Rellingen, Hamburg":

1. "paternal uncle Demo Noundou from Cameroon".
Information Technology student in Bachelor of Sciences (BSc) at "TUHH — Technische Universität Hamburg-Harbug" (<https://www.tuhh.de>).

"Demo" then obtained by "Bergmann Automaten GmbH" a position as "Bachelor student working on its thesis, project-based".

I talked to "Mister Sven Kamrath of this request", by "Mister Demo Noundou", of a Bachelor Thesis Project.

HE ("DEMO") then refused a final offer as full-time "Java software developer" because he felt he couldn't perform well in a "Java plain object (JPO)" software development environment.

"Demo Noundou, B.Sc." then accepted a position at "Canon Ltd. as PHP – Java Web Software Developer in Osnabrück".

III. ISSUES - Problems with some colleagues:

1. Herr Sven Kamrath was very angry at myself 1 day during my stay in Rellingen to talk about an ongoing project 'LaDIVA XML Servlet Parser Server' !
"He found a subtle bug that I then fixed the same day."

RESEARCH AND TEACHING OBJECTIVES I

1. CREATE A MODEL-BASED TESTING FRAMEWORK TO AUTOMATICALLY GENERATE STATECHART MODEL TEST CASES FOR REACTIVE SYSTEM SOFTWARE (advised by Prof. Dr. rer. nat. habil. Jan Peleska) |
UNIVERSITY OF BREMEN, BREMEN, BREMEN, GERMANY [09/2006 – 05/2007]

- a. MASTER IN COMPUTER SCIENCE THESIS (DIPLOMARBEIT): "STATISTICAL TEST CASE GENERATION FOR REACTIVE SYSTEMS (GRADE 18/20)", AGBS-UNIVERSITY OF BREMEN, GERMANY [12/2006 – 05/2007]
["V"- "WATER FALL"-MODEL of Software Development, reactive system, statechart, TDIOHS (time discrete input output hybrid system), STCT (symbolic test case tree), uniformly distributed statistical test case generation, MBT-RT-Tester]

Algorithms developed by myself for this 'Master of Science research-based Thesis ("Diplomarbeit" in German)' (https://www.informatik.uni-bremen.de/agbs/qualifikationsarbeiten/diplomarbeiten_e.html) [1a], based on 'Prof. Dr. Marie-Claude Gaudelle' research outcome, as a mathematician in France, are used in the RT-Tester tool of the verification and validation research and German society "VERIFIED SYSTEMS INTERNATIONAL GMBH, SPIN-OFF THE UNIVERSITY OF BREMEN" (<https://www.verified.de>) .

- b. C++ CODE GENERATION PLUGIN IMPLEMENTATION WITHIN CASE tool 'Borland-Together'; as part work for the FSE-SOQUA (2006) RESEARCH CONFERENCE PROCEEDINGS FULL TECHNICAL RESEARCH PAPER: 'Test Automation for Hybrid Systems' (VERIFIED.DE), AGBS-UNIVERSITY OF BREMEN, GERMANY [09/2006 – 02/2007]
[reactive system, statechart, TDIOHS (time discrete input output hybrid system), STCT (symbolic test case tree), C++ code generation, MBT-RT-Tester]

Our algorithms are for the "TDIOHS: Timed Discrete Input / Output Hybrid System" (https://www.informatik.uni-bremen.de/agbs/jp/papers/peleska_et_al_soqua2006.pdf) state diagram formalism, that could be visualized by statecharts for instance using a 'Verified Systems International GmbH plug-in' for 'Borland-Together 6' (https://en.wikipedia.org/wiki/Micro_Focus_Together).

- c. CogAG project: "Robot 'Arni' usage in framework of creating mapping recognition algorithms and cartography"; Cognitive Systems Group (CoSy), "Christian Freksa as Project creator and lead", CoSy – University of Bremen, GERMANY [01/2005 – 03/2007]
[Cognition, Cartography, Robot control, actuator, sensor, Debian Linux, C++, Qt 5, racism systemic]

"My personal contributions were in creating QT user interfaces code for controlling the virtual shop and the roboter 'ARNI'. I also was very much implicated in Software Engineering round-about code such as blackbox code for keeping a BB-blackboard software architecture between our software components and the MySQL database tables used to share some of the data between components of the software system."

I was also involved in:

1. HELPING in general project organization for instance:
 - A. Writing project meeting minutes.
 - B. Looking for places in train, buses for project week-end ("PROJEKT WOCHENENDE")
 - C. Etc.
2. Searching for places ("Student sleep places – JUGENDHEBERGE") for project-week-end in groups for fasting our project development;
3. Writing LaTeX documentation for project reports;
4. Writing JUnit testing code for GUI code;
5. Writing BASH-scripts for tackling connection problems between actuators and the Debian Linux Operating System (thanks to Christian).
"Unfortunately I received a grade of only 2.7 (14/20) because I wasn't interested in cartography and cognition algorithms since this was the specialty of "Christian Freksa" and "CoSy Group of Research" (<https://cosy.informatik.uni-bremen.de>)."

THIS IS THE REASON our project advisors "Dipl.-Inf.-gay-FRANK dylla", "AND Dipl.-Inform. (UNI) LUTZ-frommberger" gave as justification to this baddest grade during my entire curriculum in ACADEMIA at all !

I also need to mention that I was the only "SCHWARZNEGGER – black from africa" in this research group of mainly white-blond-racists like "MICHA", and "STEPHAN"...

THESE 4 racists-idiot said some day I may not be very comfortable in group working with white-intellectual. I THINK "frommberger the female-male-gay-BORN-male was at origin of such systemic" sexist discrimination around myself; even during my research time under supervision of male-female-chevalie-boivert-PATRICK-lam !

- d. "A SEMANTIC COMPARISON BETWEEN BÜCHI AUTOMA AND TIMED AUTOMATA (Grade 20/20)", AGBS-UNIVERSITY OF BREMEN, GERMANY [09/2004 – 12/2004]
[Vordiplom in informatik – INDEPENDENT STUDY, Bachelor Independent Study, timed automata, büchi automata, timed csp, set-algebra]

I developed a set of transformations functions that take as input a büchi automaton and generates a timed automaton. This work was the 1st work under supervision of "Jan Peleska", at our request, because we had interest in working in avionics software development in his company "Verified Systems International GmbH (<https://www.verified.de>)".

It is my uncle maternal "Théodore Wandji Ngongang" who is the one that gave me this advise at that time of my life where I was around 20 years old in Germany; "Just at my 2nd year of University."

"Finally a small offer a 200 Euros monthly came after I performed 100 % for this work unpaid [details at link 1b], that I used as Independent study. "

- e. "1st & 2nd Semester Software Development PROJECT (Grade 18/20)", ST-UNIVERSITY OF BREMEN, GERMANY [09/2002 – 09/2003]
["V"- "WATER FALL"-MODEL of Software Development, Software Engineering, Project Requirements, "Gant Diagrams", UML 2.0, XML, PHP, MySQL, Java]

- "This 1st and 2nd semester project, divided in 2 parts consisted in creating a multi-user dungeon server (MUD-server) where a virtual world existed; 1st year was used to elicit user software program requirements, and establish "Requirement documents using UML 2.0".
- "telnet (port 80)" protocol was used as client-server communication mechanism."
- "I involved myself in a project where I contributed around 7 000 lines of plain Java code of program development."

USUALLY in Yaounde, a holder of a "B.E.P.C" couldn't be trained to use COMMONLY present ERP SOFTWARE SYSTEMS (e.g.: 'Sage Gescom i7', 'SAP Business One', etc.), BECAUSE THEY ARE MEANT for highly qualified users.

Mr. NESTOR Kenfack HAD NEVER GOT exposure to an ERP system in the past.

FAMILY THAT I DON'T KNOW WHEREABOUT - I

1. WAAH (anne), spouse Kemmegni, is a subject of BIYA SPOUSE !!!

This 'megere' of my grand mother mother's side; Tchuitchui-ELIZABETH;

Is obviously a devilish demon that possesses super-natural powers in dark kingdoms; Based of 3 sacred objects I have last seen in her house in Byemassi-YDE.

1. "Buffle" horns as a representation of Money-laundry-BAPHOMET-satan
2. 2 turtles carapaces in the back of the "Buffle" horns.
3. 2 portraits of girls invoking and respectively crying;

2. "SANGO, spouse Bernadette Noundou" IS SOMEWHAT a suspect at origin of this family tragedy !!!

This pseudo-suspect seems to want to acquire my place at KING.

Laurent tchandeu ministry plenipotentiary is a subject of itself at Batchieu-Babouantou kings places.

Obviously, every member of GRAND-FATHER noundou nuclear family is a subject to this GUJA.

3. "Victor Koliou NOUNDOU" IS A NOBODY into my life;

THIS idiot, junior brother of my deceased late father "Théodore Noubissi" is contacting people INCLUDING "derek rayside (drayside@uwaterloo.ca)" (Already talking with other ignorant paternal unwanted uncle "Jules NTETA noundou (julesnteta@gmail.com); julesnteta@yahoo.fr" from Cameroon external research criminal agency (DGRE));

The idiot Victor presents itself as a chief of a family where I am supposed to belong with some faked official documents from uncle politician LAURENT tchandeu-IDIOT.

OFFICIAL registered document that "Victor KOLIOU NOUNDOU" refused to give a copy to myself when I asked him about, since I am the only, according to documents written by my late grand-father Michel NOUNDOU, Legitimate SUPERVISOR OF HIS left over to children and descendants, WEALTH AND MATERIAL POSSESSIONS !

"Afriland first-bank" and "Intelligentsia employee "Jean-PAUL-yamtche"; And CEO currently as of April 2024", A person that I really don't really know whereabouts in his genealogy or affiliation to my late grand-father; "Jean-PAUL-yamtche" owns a big storey house just opposite face of our main common house entrance in Babouantou idiot village !

"Afriland first-bank" and Intelligentsia MAIN CREATOR AND INSPIRATORY person; "Dr. PAUL fokam-kammogne", was, according to sayings of my genitor Rose Sangnou, 1 of an intimate friend of my late father and genitor "Théodore NOUMBISSI" !

"LAURENT tchandeu and Rose Sangnou" went to a place of "CCEI-bank (former company name and source of AFRILAND FIRST-BANK)", according to "Rose Sangnou" told myself in person when I reached age 32; That they ("LAURENT Tchandeu my paternal uncle" and "Rose SANGNOU" my genitor) gave money (BRIBED) to an employee of "CCEI-BANK" where "late Théodore NOUMBISSI" owed "4 000 000 XAF" at his death so that *MORTGAGE ("hypothèque" in French) on his property-land* in *BONABERI-DLA (700 m²)* would be erased everywhere in computers and documents of former 'CCEI-bank' !

"LAURENT tchandeu and Rose Sangnou" also told me, after I had an employment interview with "Dr. PAUL fokam-kammogne"; that my later genitor and father "Théodore NOUMBISSI" is the one, together with "HUGUES NTOMANI TIAKO", his business partner and soul-mate at that former ancient time, THAT computerized totally all enterprises businesses of "CCEI-bank (former company name and source of AFRILAND FIRST-BANK)" !

I remember seeing my late father only 1 time in a day, around 19 : 00 at diner time; this is before we moved to Yaounde in year 1990; After he quits "CA-CORP (Computer Associates Corporation)-DLA" to open and manage solely "CA-CORP (Computer Associates Corporation)-YDE" !

4. "LAURENT tchandeu (ltchandeu@yahoo.fr)" ASSASSINATES in an hospital "THEODORE noubissi"; late father of mine on January 1992;

AS an orphan at age of 7.5 years old, I remember uncle paternal Laurent came into our biggest house in YDE-Essos to settle in the secondary apartment at the back of our house.

FAMILY THAT I DON'T KNOW WHEREABOUT - II

5. **"LAURENT tchandeu" Tries with "Hugues Ntomani Tiako" "VIA judith ngaleu in Etobicoke (Toronto, Ontario, Canada)" to crash "my Toyota Corolla LE-2003" in December 2013**

This sorcerer freemason ("Hugues Ntomani Tiako"), and Christian-so-called-ORTHODOX-catholic of Roma, acknowledges that IT SHALLN'T be that I gain cause in the court of justice process THAT I have against "LAQUINTINIE and SED", that sent 9 people, including "Christian Eyoun, MD, PsyD"; in February 2021 at night around 23 : 30, to hijack and attempts to kill myself.

SED sent myself 1 time in a CABANON Because they receive 15,000 FCFA from "*Henri Bertrand Ngatchou and my genitor ROSE Sangnou*", IN douala 2018.

"Galax Yves Landry Etoga" is personally, as a CPDM political party member, AND not as a SED authority implicated in trying to kill myself through psychiatry and / or any other means !

"Laurent Tchandeu (assassin of Ingrid's father and his elder brother in Babouantou-village)" is the one that connected "Ingrid TEUNTCHOU NOUMENI", born (geboren in German) TCHITCHUI NOUMBISSI; my uterine sister, to marry officially "THE IDIOT AND PSY-CHILD since age 12 *CHANDRIAND TEUNTCHOU NOUMENI*".

6. **"LAURENT tchandeu" Deems and Dares OR-DONATES to squeeze my financial money income VIA genitor of mine "Rose SANGNOU" Since September 2023 until TODAY.**
7. ******JULES NTETA NOUNDOU extremely dangerous person* is a consanguine brother (same father; another, still living mother, in same marriage) of "LAURENT tchandeu"; And his helper in almost everything dirty and / or clean here in CMR!**
8. ("Derek Rayside *drayside@uwaterloo.ca*") pays money to *MATHGENEALOGY.ORG project* so that an equivalence to my "*Doctor-Ph.D. of Engineering degree from UWATERLOO*", will be turned from PhD into the non-academic degree ABD; just 2 weeks after talking with "JULES NTETA NOUNDOU" at his dirty-office in "YDE-élig-essono"
9. **"David demo noundou" tries to connect me to Laurent external security research agent "Jean-Daniel-tujilo-tchokote"; "VIA his natal village idiot babouantou friend Célestin puene (*cpuene@cscmonavenir.ca*)".**
10. **"David demo noundou" has written documents in Germany that I was mentally ill while staying 3 days in his rental apartment in September 2018.**
11. **"David demo noundou" is A student of myself at the TUHH; benjamin brother of my late father "THEODORE noumbissi"; since I could help him get an bachelor internship At "GEWETE GmbH", Where I was working while a student at Bremen University state.**
12. **"LAURENT tchandeu" was a "Minister Plenipotentiary of Cameroon Embassies in France, Belgium, etc. for around 30 years outside of Cameroon". Especially promoted sent outside Cameroon 1 year after assassinating his elder brother "THEODORE noumbissi".**

FAMILY THAT I DON'T KNOW WHEREABOUT - II

13. "Henri Bertrand Ngatchou" tries to physically arrest and violates myself in front of at least 7 other people in his private residence of Bankepche-Bangou with no apparent reason other than humiliate myself.

"Henri Bertrand Ngatchou" vows a personal and individual cult to 'Shanda Owona Biya', especially as an appointed, not applied CPDM (RDPC) political party, vice-president in Bankepche-Bangou; with "Honorable Datouo Theodore" as his president.

14. "RODRIGUE alain sienchié ngongang (sienchie@gmail.com)", Ancient psychiatric patient in Düsseldorf-Germany Sends messages everywhere So I could again be hijacked into a Cabanon-cell FOR mad-ill-people; "Xavier Noubissi Noundou" paid in total amount 2,000 Euros to help him get back "to his paternal family NGONGANG" in Deido-Dla-CMR !

15. "Théodore Wandji Ngongang, And Aurélie Kamdoun Yano his spouse (takouengongang@yahoo.ca; ngongangtietie@yahoo.ca)", ows myself around "1 500 EUROS" since year 2005 as he fled out from Germany to emigrates into "Montréal-Côtes-des-neiges" !

16. "Idiot Angéla Tchamou Shanda Wolfgang Owona (krauserminrex@gmail.com)", a maternal cousin of mine, tries to hijack myself in buses because She deems being a very important personality ("VIP") in front of myself.

"HER spouse Dr Wolfgang Junior Fernand Owona" was making her ("Angéla Tchamou Shanda Owona") come to myself and harassed me with: "Wolfgang wants to be president of the republic" !

This idiot of Wolfgang is the grandson mother side of "Grégoire Owona", who was implicated in the sudden death of his former colleague "Theodore Noubissi (Late father of mine)".

"Grégoire Owona" is today inviting "my remaining genitor Rose SANGNOU" to his village houses in "Gomedzap-Center-Region-CMR"; so to think her How to destroy my life as a black and renowned scientist universally from the University of Waterloo; THIS in conjunction with former uni colleagues such as "Dr. PATRICK lam"; etc. "Grégoire Owona" –

For 2 days now (August 18, 2024.); my profile is down at [MATHGENEALOGY.ORG](https://mathgenealogy.org) project; And at same time I felt several people trying to hijack my person here in Cameroon because a certain "#PASTOR-landry ENTERS MY PERSONAL HOME WITH A WEAPON."

In cameroon, as I have heard from people in background, CRIMINAL-ASSASSIN FROM yves-galax-landry Wear name PASTOR.

Derek Rayside has put back a vietnamese idiot on my file at [MATHGENEALOGY.ORG](https://mathgenealogy.org) project so that I cannot be upwell in Cameroon.

JUDICIAL AFFAIR PROSECUTIONS (1.)

28.28 HIJACK OF MY PRIVATELY OWNED PROPERTY BY laquintinie on FEBRUARY 2021

[r-DR. CHRISTIAN EYOUM – tALKING AT BBC–british-broadcast-corporation, AND * --rotarian-- * club member in douala–sawa–tribe, chief of psy staff of LAQUINTINIE HOSPITAL IN DOUALA (LITTORAL REGION, CAMEROON)], has sent in FEB. 2021, without any official document, 7 people to break into my privately owned (closed with a steel gate) house in DOUALA, so to hijack myself and terrorize me. THIS HAPPENED AT NIGHT AROUND 11:00 PM, with BERTRAND, breaking my gate seals with a weapon of some sort (BERTRAND, was the lead thief of DR. CHRISTIAN EYOUM).

THIS HIJACK OR ATTACK on my person happened just 1 day after I denounced to PRC.CM and SHANDY-SHANDY-CABINET.COM (biological father of my mother's side cousin ANGELA) a fake "BACCALAURÉAT"-DEGREE from 'ANGELA TCHAMOU SHANDA OWONA SPOUSE DR. WOLFGANG FERNAND JR. OWONA', because her sister-cousin CYNTHIA NKWOUANO told me about this: "ANGELA WENT TO CENTRAL AFRICAN REPUBLIC and received her diploma in a hotel".

I ALSO BECAME AN AGENT OF CAMEROONIAN DEFENSE AND SECURITY FORCES ON FEBRUARY 14, 2021.

DR. CHRISTIAN EYOUM after this kidnapping, held me at LAQUINTINIE HOSPITAL for poisoning me 2 weeks, AND THEN RELEASED AN OFFICIAL DOCUMENT TO MY RELATIVE ROSE SANGNOU.

ROSE SANGNOU has since been using the fake document to go meet my clients to say that I AM A PSY PATIENT AND THAT THEY SHALL NOT DEAL ANYTHING WITH MYSELF. ROSE SANGNOU also went to meet all my privately-owned real estate properties' neighbors TO DO THE SAME.

I HAVE COMPLAINT BEFORE DOUALA-NDOKOTI JURISDICTIONAL TRIBUNAL in front of JUDGE HUGUES ALAIN YAGER MABOMA SINCE FEB. 2021:

- 3 convocations have been sent by now to DR. CHRISTIAN EYOUM; he hasn't come to respond to prosecutors.
- I am now awaiting for a "MANDAT D'EMMENER" AGAINST DR. CHRISTIAN EYOUM, a form of order from judge that will bring DR. CHRISTIAN EYOUM in front of prosecutors by police force.

29.29 Kidnapping on FEB. 2023 WHILE WALKING BACK IN MY YAOUNDE REAL ESTATE PROPERTY

1. DR. LAURE MENGUENE MVINDI accepts to send 2 thugs-burglars on the road to kidnap myself, while I was walking on street to get back into my house, and to bring me in a cab at psychiatric hospital 'JAMOT' in YAOUNDE; this is requested by DOROTHÉE NDJATIÉ SHANDA, spouse pr. shanda-tonme jean-claude.

DR. LAURE MENGUENE MVINDI is chief of psychiatry staff at psychiatric hospital 'JAMOT' in YAOUNDE.

DR. LAURE MENGUENE MVINDI IS VERY WELL KNOWN IN YAOUNDE to say disturbing voices against BAMILEKE-TRIBE, an ethnic group of the west cameroon to which, I by birth, and not by spirit [I AM A BORN AGAIN CHRISTIAN], belong.

2. AFTER 2 WEEKS OF POISONING AND TRYING TO DESTROY MY BODY WITH DRUGS AND PILLS, a yellow clothed (level of BACHELOR OF SCIENCE) gate guard OF "HÔPITAL JAMOT" that I don't remember the name, tries to SNEAK INTO my private life by calling me on my private cell phone number [(+237) 6 52 39 69 50] every other day.

I SAID TO HIM THAT I DON'T ENTERTAIN RELATIONSHIPS WITH PEOPLE LIKE HIM.

PS: THIS GATE GUARD, yellow-clothed with an uniform, is of BETI-TRIBE like DR. LAURE MENGUENE MVINDI!

3. S2TBED, a so-called forestry society here in Yaoundé seems to be a secret agency against black-owned societies here in Cameroon.

30.30 Attempt to give me a psy consultation by ROSE SANGNOU's sister DR. ANNIE POKAM-KWAM

AFTER RELEASED FROM 'JAMOT', i stop taking the drugs that i was forced to intake by drink.

Knowing that this is judicial information time, I accept to talk to DR. ANNIE POKAM-KWAM, which is DOROTHÉE NDJATIÉ SHANDA and ROSE SANGNOU sister, by my own request.

My goal is at time to collect as much information as possible.

She (DR. ANNIE POKAM-KWAM) tries to convince me that i should intake psy drugs in order to be more sociable !

31.31 THREAT ON MY PERSON BY ROSE SANGNOU IN JUNE 2023

In June 2023, in its 25th week, a relative, ROSE SANGNOU, living and based in Douala for more than 60 years, comes into Yaoundé, and settle for 1 week at DOROTHÉE NDJATIÉ SHANDA's house, at her (DOROTHÉE NDJATIÉ SHANDA) invite.

ROSE SANGNOU, whom was told, no more to persecute myself, during her interrogation time at prosecutors' office in Douala-Ndokoti, starts calling me increasingly and says she is in Yaoundé because her sister (DOROTHÉE NDJATIÉ SHANDA) son, PATRICE SHANDA SANOU CABRAL, is very ill and hospitalized at Yaoundé general hospital.

ROSE SANGNOU insists that we shall meet because she is my mother. I then accept, but refused to meet up her at my private owned property in Yaoundé-Ahala-Nsimbock. We then meet up first at DOROTHÉE NDJATIÉ SHANDA house, then at supermarket 'supermarché carrefour EKIE' in YAOUNDE-EKIE.

THIS PERIOD IS judicial information investigation time, that is mostly why I accepted to meet up with her.

I NOTICE with an impression THAT my mother ROSE SANGNOU COULD HAVE BEEN BRUTALIZED ON HER LEFT KNEE. SHE SAID SHE FELT DOWN IN THE BACK OF HER SISTER'S HOUSE (DOROTHÉE NDJATIÉ SHANDA) because the maid woman SPILLED water with amidon on the floor.

AFTER FINISHING our lunch, my mother ROSE SANGNOU says I SHOULD START AGAIN TO TAKE psychiatric drugs: I IMMEDIATELY STAND UP FROM LUNCH TABLE AND RETURNS TO MY PRIVATELY OWNED PROPERTY, 'immeuble yerith'.

JUDICIAL AFFAIR PROSECUTIONS (2.)

32.32 MY SUSPICIONS about real activities of pr. shanda-tonme jean-claude and his wife

SEVERAL TIMES, pr. shanda-tonme jean-claude invited myself to hotel PARFAIT GARDEN in yaoundé so that I COULD SEE HIM ACTING as managing director of expatriate US CITIZEN ELECTRICAL ENERGY COMPANY.

so i suspect pr. shanda-tonme jean-claude receives money from some big giants NORTH-AMERICAN COMPANIES, so to disrupt my activities in the free open source software (FOSS) AREA.

33.33 THREAT ON MY PERSON BY Victor Koliou Noundou IN JULY 2023

PREVIOUSLY. HÔPITAL ADLUCEM, a hospital in Douala-BONAMO USSADI, that I went with paternal uncle Victor Koliou Noundou to threat a hyperglycemia, established with him (uncle Victor Koliou Noundou) THAT I SHOULD BE BROUGHT USING AN AMBULANCE to 'LAQUINITIE-CABANON' because Dr. MVONDO felt that I am not well behaving !

Victor Koliou Noundou, a brother of my late father Théodore Noubissi ASKED MYSELF, relentlessly, if I still take the psychiatric drugs.

I need to note here that, WITHOUT ANY APPARENT REASON, another brother of my late father Théodore Noubissi, Laurent Tchandeu, former minister plenipotentiary, sent A TRUCK WITH 6 firefighters to take me by force from my privately rented apartment in yaoundé, in the year 2015, SO TO BRING ME TO A PSYCHIATRIST OF 'JAMOT': Dr. Kamga.

IN FRONT OF ME, Dr. Kamga SAYS TO Laurent Tchandeu AND ROSE SANGNOU THAT HE CAN'T KEEP ME THERE AT 'JAMOT' BECAUSE I AM NOT A PSYCHIATRIC DISEASED PERSON.

Dr. Kamga ALSO MENTIONS THAT IF I GO TO COURT AGAINST HIM, HE WOULD PUT ALL TROUBLES on ROSE SANGNOU since WHAT SHE SAID TO HIM SO THAT HE SENT A FIREFIGHTER TRUCK to take myself by force from my privately rented apartment is wrong.

Laurent Tchandeu IS TRYING SINCE Théodore Noubissi, my deceased (JANUARY 9, 1992) father (and chief of the NOUNDOU family), passed away, to sack my POSITION AS CHIEF OF THE FAMILY NOUNDOU:

- IN MAY 2023, politician GRÉGOIRE OWONA, grand-father of MY COUSIN MOTHER SIDE "ANGELA TCHAMOU SHANDA OWONA SPOUSE DR. WOLFGANG FERNAND JR. OWONA", comes with Laurent Tchandeu (and spouse DR. HENRIETTE POLA) in my village BABOUANTOU to open a primary school as gift from political party R.D.P.C (C.P.D.M).

34.34 THREAT ON MY PERSON BY Laurent Tchandeu ON AUGUST 3rd, 2023

DR. Laurent Tchandeu, a paternal uncle of mine, tries to harass myself with taking psychiatric drugs.

HE DID THIS USING TELEPHONY APPLICATION "whatsapp".

35.35 WAITING FOR judge JUDGE HUGUES ALAIN YAGER MABOMA

JUDGE HUGUES ALAIN YAGER MABOMA SEEMS TO WANT TO destroy evidences against state hospital laquintinie since He (JUDGE HUGUES ALAIN YAGER MABOMA) hasn't call by police force DR. CHRISTIAN EYOUN to come answer allegations against him about TRYING TO KILL ME with psychiatric drugs at night after HIJACKING MY PRIVATE PROPERTY IN DOUALA-CITÉ-DES-PALMIERS !

36.36 ARMY GENDARMERIE COLONEL KÉMAJOU harasses ROSE sangnou my mother

ROSE SANGNOU, my mother, complained to myself that KÉMAJOU is calling her very frequently to tell her I (PROF. DR.-ING. DIPL.-INF. XAVIER NOUNDOU) is not mentally sane since HE is doing a lot of christian cross-sign while walking on Yaoundé streets.

JUDICIAL AFFAIR PROSECUTIONS (3.)

37.37 ARMY GENDARMERIE COLONEL KÉMAJOU destroying my life as a neighbor

A FORMER SED (SÉCRÉTARIAT D'ÉTAT À LA GENDARMERIE) retired colonel of cameroon gendarmerie, who has spying devices AT HOME TO HEAR PHONE, OR WHATSAPP conversations; MAKES CURRENT ELECTRICITY cut-off whenever I RECEIVE MONEY so I cannot cook and refrigerate my food properly.

THIS VERY POOR PERSON, both in spirit and financially; whose wife makes money out of cooking food for street workers, COULD SUCCESSFULLY intimidate people not to come attend work or anything else into my real estate properties.

COLONEL (retired) of Army Gendarmerie KÉMAJOU couldn't lie and convince people that I DON'T POSSESS A Ph.D in Computer Engineering; since his son "Jonas Kémajou" who he also in gendarmerie told me once: "Myself I also POSSESS A Ph.D QUALIFICATION WITH NO DEGREE AT HOME" !

I am wondering in Cameroon why army intermediates in civilian life and affairs; THIS DOESN'T HAPPEN usually in rich and developed countries like Germany.

This day of **Saturday November 18, 2023**; while I was talking to a computer technician neighbor named Gabriel Takoumbe, KÉMAJOU came along walking with an indigo "Garde Présidentielle (special unit of cameroon forces attached only for the President of The Republic.)" T-shirt.

COLONEL kemajou tells me HE WANTS MY PERSON NOT TO WRITE anymore on his forfeitures against myself; in front of at least 7 young men and women, saying He didn't call my genitor mother any day before.

COLONEL kemajou sect named JÉRUSALEM APOSTOLAT, sacks every public entry road to my real estate 2-storey building (unfinished yet).

Yves Landry Galax ETOGA, chief of secret services of Cameroon seems to like to try harassing competent professors of science and technology like myself. May be He works against CAMEROONIAN SKILLED ORPHANS like my humble person in JEOVAH-NISSI in heaven !

PROF. DR. RER. NAT. HABIL. JAN PELESKA and DR. PATRICK LAM have never said anything against what is happening to myself since 3 years ago; ALSO, Patrick is a member of Rotarian organization ROSICRUCIARY !

"29" November 2023: **I HAVE RENOUNCED TO AN ATTORNEY since TCHANA NJEUTCHA Synclair is clearly going against my personal interests !**

"03" December 2023: **KEMAJOU and its troops that call themselves Christians ARE HARASSING PEOPLE COMING HOME.**

"04" December 2023: **I cannot recognized Cameroon where someone high qualified by myself is permanently harassed physically by illegal neighbors like KEMAJOU gendarmerie colonel Criminal.**

KEMAJOU gendarmerie colonel tries on the street to talk to myself while I am coming back from a hardware shop.

It seems to myself that illegal neighbors religious sect "Jerusalem Apostolat" is trying to make confusion about my humble person wherever I go in my life; Kemajou gendarmerie colonel has tried around my neighborhood, with help of SECTARIAN OF JERUSALEM APOSTOLAT; to make noise that **XAVIER noundou IS A PSYCHIATRIC PATIENT** that doesn't want to take pills !

38.38 THREAT ON MY PERSON BY ROSE SANGNOU IN JANUARY 2024

ROSE SANGNOU, despite that **JUDGE HUGUES ALAIN YAGER MABOMA** gave her prohibition to come to my home in Yaounde during year 2023, came by force with someone that I don't know whereabouts To my neighbor "CARINE LELE njougep tchana" To incriminate her about chairs she owns by now;

I destroyed chairs that were not in good shape last year from my humble home by throwing them away outside. It seems "CARINE LELE njougep tchana" put them in her personal home without asking myself since I just threw them away; which is normal since They don't belonged to me anymore !

"30" January 2024: It seems my genitor mother **ROSE SANGNOU** went to talk to gendarmerie people so they could harass myself to go for an illegal psychiatric treatment; because while I was talking to Justice "ME. ANDRÉ Mbet" today, I saw 1 gendarmerie man came into his personal office where he also, with his wife, Owns a financial transaction center.

I immediately told Justice "ME. ANDRE Mbet" about this attitude of gendarmerie people coming inside where I perform businesses to make some kind of visual and gesture signs to owners of businesses, So they wouldn't deal with myself anymore !

"24, 25" April 2024: **1 man wearing a talkie-walkie came across my personal road in Simbock YDE.**

I went to talk to him since I was looking for a technician that didn't finish a work in my humble house. For 6 days now, this technician wasn't in my house anymore despite myself telling him to finish his work on my steel door.

I suspect again **justice ("huissier") SHANDA-DJATIE and her spouse Pr. JEAN-CLAUDE shanda-tonme** to harass my genitor and mother Rose SANGNOU to try to bring myself by force to a psychiatric destructive mind place.

JERUSALEM-APOSTOLAT rosicrucian sect tried to follow myself these last 2 days using the brigand 'Moise BATOMEN', and another person male, THAT i don't know whereabouts but that live behind "Carine Lele Njougep Tchana" house for at least 6 months from now backwards in time !

Just 1 month before, I was stopped from walking by to our main official road by a sectarian female of Jerusalem-APOSTOLAT. I now see that it was meant to bring myself to other roads were they don't have their own people on it, so they could hijack myself properly to bring by force to a psychiatric hospital so to try to deteriorate my physical and psy body.

JUDICIAL AFFAIR PROSECUTIONS (4.)

39.39 SHANDA SANOU patrice cabral idiot son of Dorothée Shanda Owona passes away at age 33 (March 18, 2024)

"Dorothée Shanda Owona" who had tried to make myself sodomized "by Bertrand of Laquintinie" in Feb. 2021, illegally by police force.

SHE leaves now her son out of life after 3.5 years trying to destroy my life; Probably because she got some laundry money for this dirty task against A BORN-AGAIN-CHRISTIAN !

NONE of the people I have heard from coming back "from some kind of obituary ceremony" could even see any corpse of ATTORNEY OF LAW, deceased, Patrick Cabral SHANDA SANOU !

40.40 Dr. Annie Metiam, Spouse Eric-POKAM-WAM tries to say something illegally about my mental health publicly (May 23, 2024)

A sister of my mother and genitor ROSE SANGNOU, DR. ANNIE POKAM-KWAM, sends a RECORDED AUDIO MESSAGE via whatsapp-phone-android-application, without any request from "Rose Sangnou" and / or my person about a supposed mental health abilities report that She as GASTROENTEROLOGIST has wrote based on our investigation whatsapp call that was done in year 2023 during around the month of JUNE.

This retarded personage that was initially at "Alfred Saker School" oriented to perform Commerce AND Accounting, WITH A grade of 10.00/20 is an idiot; Not just because *she doesn't even have a "degree of Doctor of Medicine (Dr. med.)"*.

This happens unsolicited as I am having a talk together with "Rose Sangnou"; AND "PASTOR marco OF Pentecostal Christian CHURCH" ' 'chapelle de la gloire de christ" in DLA.

I AM SUSPICIOUS of this corrupt C.P.D.M aunt that has german citizenship to be from Central Intelligence Agency (CIA); hired specially to try to kill me by any means; even using sorcery.

41.41 YAGER MABOMA is an idiot of justice judge here in CMR

Since 2021, February that I have complaint for a group of harassers that came into my compound to brutalize myself in front of a so called judge of instruction from sawa tribal tribe, I STILL RECEIVE PEOPLE TRYING TO AGGRESS and Harass myself.
